## CHAIRMAN'S MESSAGE

Oberoi Realty has again delivered outstanding performance across all its verticals during the financial year. In FY23, we recorded our best annual profitability figure and highest ever gross booking value, which is indicative of our margins, efficiency, and execution ability across verticals.

Dear Shareholders,

The Indian economy is growing faster than most major economies and its impressive growth is proof of its resilience to the ongoing volatility in the international ecosystem.

The real estate market in India continues its growth trajectory that started immediately after the first wave of Covid-19. Despite inflationary pressures, geopolitical tensions and rising interest rates, the real estate sector has maintained a cyclical upswing.

I am happy to inform you that your Company has again delivered outstanding performance across all its verticals during the financial year. In FY23, we recorded our best annual profitability figure and highest ever gross booking value, which is indicative of our margins, efficiency, and execution ability across verticals.

Consolidation amongst reputed brands continues to be a key trend in the segment. The primary drivers for this consolidation are continued consumer confidence towards these brands due to their track record, financial capabilities and ability to provide high quality and sustainable ecosystems.

The premium residential segment continues to witness strong demand, well supported by tailwinds of demand drivers such as an increase in earning potential, a need for a better standard of living and the growing base of aspirational consumers. With our strategically aligned vision and diverse innovative offerings, we have emerged more tenacious and robust.

With corporates encouraging employees to return to offices, interest in sustainable Grade-A offices continues to grow. We are well positioned to leverage this demand, given the architectural and construction quality of our products and our focus on providing a complete ecosystem and facilities.

Our retail business exhibited a sturdy rebound. Return to normalcy has led to marked improvement in footfalls and increase in discretionary spend which has boosted consumption. In addition, there has been positive leasing interest due to pent-up demand in prime malls. We look forward to the launch of our Sky City Mall in Borivali, in the coming financial year.

The strong domestic demand due to surging disposable incomes and a growing tourism industry also give us a lot of confidence about the overall hospitality market potential for the near future. We anticipate the current travel momentum to continue and believe that quality supply will take time to build and reach the market. Your Company is also in the process of augmenting and expanding its hospitality offerings in Borivali and Thane.

Your Company is actively exploring growth opportunities in various markets to capitalize on the upswing in real estate. With our premium product offerings, design excellence, execution expertise and financial discipline, we are certain of both growth and profitability. We continue to focus on acquiring large land parcels from reputed corporates free of all encumbrances, with due diligence along with micro market research.

We are streamlining our operations by further embedding environment, social, and governance (ESG) principles throughout the value chain. Our growth as an organization is marked by continuous enhancement of our sustainable operations, our diverse workforce, continuous stakeholder engagement, improved governance and transparency.

Our people-first collaborative culture is integral to your Company's success. We have inculcated the culture of continuous learning and upskilling and investing in leadership development programs. We will continue to derive value by nurturing their potential, harnessing synergies, and maintaining an engaged and energized workforce.

I would like to thank all our employees for their contribution in delivering another year of profitability and growth. I take this opportunity to thank the Board, the bankers and all our stakeholders for their invaluable contributions to the company. Furthermore, I want to thank the shareholders for their unwavering faith and support.

I wish you all a healthy, happy, and successful year ahead!

Best Wishes,

Vikas Oberoi Chairman and Managing Director

Dear Sirs,

We have conducted online verification and examination of records, as facilitated by the Company, for the purpose of the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practice by **Oberoi Constructions Limited** (hereinafter called **'the Company'**) and issuing this Report. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minutes Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2023, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- 1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by Oberoi Constructions Limited, for the financial year ended on March 31, 2023, according to the provisions of:
  - (i) The Companies Act, 2013 ('the Act') and the rules made thereunder to the extent applicable;
  - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
  - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 2. Provisions of the following Regulations and Guidelines including those prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company under the Financial Year under report:
  - (a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
  - (f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
  - (g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
  - (h) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client; and
  - (i) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021.
- 3. Provisions of the Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings were not applicable to the Company during the Financial Year under report.
- 4. We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with other Acts, Laws and Regulations applicable specifically to the Company as per the list given in **Annexure I.**

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India under the provisions of the Companies Act, 2013.

During the period under report, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

#### We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

None of the members have communicated dissenting views, in the matters/agenda proposed from time to time for consideration of the Board and its Committees, during the period under the report, hence were not required to be captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the year under review the Board of Directors of the Company in their meeting held on August 9, 2022 had approved the Scheme of Amalgamation of Oberoi Constructions Limited (the 'Transferor Company 1' or 'OCL'), Oberoi Mall Limited ('Transferor Company 2' or 'OML'), Evenstar Hotels Private Limited ('Transferor Company 3' or 'EHPL') and Incline Realty Private Limited ('Transferor Company 4' or 'IRPL') (collectively termed as "Transferor Companies") with Oberoi Realty Limited ('Transferee Company' or 'ORL') and their respective shareholders ('the Scheme') and the Scheme has been filed with Hon'ble National Company Law Tribunal, Mumbai Bench. The Appointed Date for the amalgamation under the Scheme is April 1, 2022.

Except above, there was no action/event which had a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### **ECONOMIC REVIEW**

#### Global economy

The baseline forecast is for growth to fall from 3.4% in 2022 to 2.8% in 2023, before settling at 3.0% in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7% in 2022 to 1.3% in 2023. With further financial sector stress, global growth declines to about 2.5% in 2023 with advanced economy growth falling below 1.0%.

Global headline inflation in the baseline is set to fall from 8.7% in 2022 to 7.0% in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases.

#### Indian economy

India's growth continues to be resilient despite some signs of moderation in growth, although significant challenges remain in the global environment, India was one of the fastest growing economies in the world.

The overall growth remains robust and is estimated to be 6.9% for the full year with real GDP growing 7.7% year on year during the first three quarters of FY 2022-23. There were some signs of moderation in the second half of FY 2022-23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. Inflation remained high, averaging around 6.7% in FY 2022-23 but the current account deficit narrowed in Q3 on the back of strong growth in service exports and easing global commodity prices.

The World Bank has revised its FY 2023-24 GDP forecast to 6.3% from 6.6% (December 2022). Growth is expected to be constrained by slower consumption growth and challenging external conditions. Rising borrowing costs and slower income growth will weigh on private consumption growth and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic related fiscal support measures.

Although headline inflation is elevated, it is projected to decline to an average of 5.2% in FY 2023-24, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by hiking the policy interest rate. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private sector credit growth.

The central government is likely to meet its fiscal deficit target of 5.9% of GDP in FY 2023-24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the debt to GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to narrow to 2.1% of GDP from an estimated 3.0% in FY 2022-23 on the back of robust service exports and a narrowing merchandise trade deficit.

Spillovers from recent developments in financial markets in the US and Europe pose a risk to short-term investment flows to emerging markets, including India.

#### **INDUSTRY REVIEW**

The residential real estate market in India had astounding progress in 2022, setting new sales records of 68% year on year, further demonstrating the industry's prominence as one of India's fastest growing industries. After 2 years of being affected by COVID, Tier 2 and Tier 3 cities have arisen as fresh major real estate trends in 2022, and the real estate market has set unprecedented benchmarks which continued its growth momentum from 2021 amid the global slowdown.

#### **MUMBAI REAL ESTATE**

Mumbai, being the largest real estate market in the country is set for a major boom, which will further add to the overall surge. For close to 5 years, Mumbai has resembled a gigantic construction site. A new coastal road, a metro rail and a trans harbour link are among the many ongoing infrastructure projects that are meant to transform India's commercial capital into a modern and efficient city. As these projects complete over the next few years, new micro markets will open up in and around Mumbai, as commuting would become easier. That will boost real estate development further.

Steady rise in demand for homes boosted realtors' confidence and egged them on to launch more projects. In 2022, new launches in the top 7 cities jumped 42% compared to 2021. It was also the highest number of launches in a year since demonetisation.

2022 was a watershed year for the Indian housing sector, with sales breaching the previous peak levels of 2014. In response to this high demand, developers remained focused on completing their previously launched projects.

#### **OPPORTUNITIES AND CHALLENGES**

#### **Opportunities**

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's well accepted brand, contemporary architecture, well designed projects in strategic locations, strong balance sheet and stable financial performance even in testing times make it a preferred choice for customers and shareholders. Your Company is ideally placed to further strengthen its development potential by acquiring new land parcels.

#### Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- Unanticipated delays in project approvals;
- Availability of accomplished and trained labour force;
- Increased cost of manpower;
- Rising cost of construction lead by increase in commodity prices;
- Growth in auxiliary infrastructure facilities; and
- Over regulated environment.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### **COMPANY STRENGTHS**

Your Company continues to capitalize on the market opportunities by leveraging its key strengths.

These include:

- **1.** Brand Reputation: Enjoys higher recall and influences the buying decision of the customer. Strong customer connects further results in higher premium realizations.
- **2.** Execution: Possesses a successful track record of quality execution of projects with contemporary architecture.
- 3. Strong cash flows: Has built a business model that ensures continuous cash flows from their investment and development properties ensuring a steady cash flow even during the adverse business cycles.
- **4.** Significant leveraging opportunity: Follows conservative debt practice coupled with enough cash balance which provides a significant leveraging opportunity for further expansions.

- **5.** Outsourcing: Operates an outsourcing model of appointing globally renowned architects/contractors that allows scalability and emphasizes contemporary design and quality construction a key factor of success.
- **6.** Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
- **7.** Highly qualified execution team: Employs experienced, capable and highly qualified design and project management teams who oversee and execute all aspects of project development.

#### **KEY DEVELOPMENTS IN FY 2022-23**

#### **HUMAN RESOURCES**

#### **Leadership Development Program**

Your Company had initiated the Leadership Development Program for senior leaders in partnership with People Business Consulting. The vision of this one of a kind management program is to build an ecosystem of Great Leaders and create real competitive advantage through them.

As part of this program, a cohort of select Senior Leaders were identified to undergo a structured 3 month intervention entailing curated workshops and simulations, byte size learning, application of learnings at workplace and reflections. The learning journey was focused on the R-OPTI model®. This program allowed the organization to gauge the effectiveness of Senior Leaders and plan their development journey and interventions accordingly.

#### **Succession & Career Development Planning**

Your Company considers critical talent as their major competitive advantage. Therefore, we have a robust **Succession Planning & Talent Review process** in place which helps us in identifying and developing high potential employees. As part of Succession Planning, your Company identifies Critical Roles within the organization and a pool of Successors and High Potential employees basis talent assessment exercise. Through the assessment, your Company evaluates role readiness, potential

versus performance and risk assessment of key internal talent. This ensures that the organization has an internal capability and bench strength to meet current and future business requirements.

#### **Career Development Program**

Your Company has a Career Development Program (CDP) that let's its people take charge of their growth and empowers them to take complete ownership of their career journey. It enables them to choose their career paths aligned with their interests, abilities and competencies. The key aspects of CDP include creation of development plan where an employee can add the goals, development plan and craft career journey. It outlines the competencies and behaviors required for a position, enabling it to create, development objectives critically to succeed in current or aspired positions.

#### **Mentor-Mentee Program**

As an organisation, your Company believes in supporting and enhancing leadership and professional development of the workforce. With an aim to build a strong talent pipeline within the organisation, your Company has launched the "Mentor-Mentee Program". The program is designed to formalize relationship between the Mentors (senior management) and the Mentees

(team members) that will help further their career. This intervention will also ensure strong cross team network within the organization which will focus on a Mentor-Mentee engagement to provide an enhanced career development for the mentees.

#### **Performance Management**

As part of the Annual Performance Management System, your Company follows a structured process entailing Annual Goal Setting exercise that provides clarity to all employees about their targets and alignment to the organization's goals. The process is followed by a formal Mid-Year Review and the Annual Review. Your Company also encourages continuous check-ins which help create an environment of trust, strengthen relationships, build communication and provide remedial coaching to the employees thereby assisting them to realize their full potential.

#### **Learning & Development**

Your Company believes that capability building and empowering employees is a key step in aligning our people to achieve our vision. Our blended learning approach entails our Learning Management System (LMS) and Classroom Trainings which help in the development of Technical, Behavioural as well as Leadership skills.

Your Company continues to leverage the LMS platform and has clocked over 6,500 hours of learning, which includes a count of over 5,000 e-learnings. This milestone was achieved through our SMEs who regularly conduct technical and function specific training for skill upgradation, soft skills training based on concepts from best sellers like Fish! Philosophy and Who Moved My Cheese. Your Company also has various classroom interventions to strengthen the capability of all employees and ensure that they always stay ahead of the curve. As a part of the organization, every employee has completed the mandatory learning modules which include Health & Safety, Code of Conduct, Insider Training, POSH, Diversity & Inclusion.

In a continuous effort to build a human centric organization, your Company believes that the People Managers form an integral part of building the organization culture. With this objective an Appreciative Leadership Workshop was exclusively organized for the People Managers which equipped them to seek a deeper understanding of appreciation as a critical component of great leadership and strengthen their influence as a leader.

#### **Rooted in Values**

As an organization, values are a critical part of the company culture. To ensure continuous alignment with the values, your Company has launched a value reinforcement drive which includes a series of Value Workshops twice a week and other interventions for all employees across locations. These workshops are the guiding force that support alignment in all our regular activities. Furthermore, your Company's Employee Recognition Program acts as an engagement tool that encourages and recognizes company values in action. It is a platform to showcase and reinforce values like innovation, effective problem solving, achieving process and operational efficiency, going above and beyond the call of duty to achieve organizational objectives.

#### **Women Leadership Development Intervention**

A balanced and inclusive workplace engages people, generates positivity, fosters innovation and helps attract talent by developing a reputation of a great place to work. With an aim to broaden and strengthen the Women Leadership pipeline, your Company launched Women Leadership Development Program titled 'Flying Lessons' for a select Hi-Potential cohort in partnership with Interweave Consulting Pvt Ltd.

This program is specially curated for women in senior managerial roles across cross-functional teams to help them prepare for future leadership roles and craft their career development strategies. The learning journey is well planned and organized across span of 4 months with intensive classroom training sessions, nudge calls, self-reflection and pre-post assignments.

Using a unique and holistic approach, this intervention will empower ascending women and offer variety of interactive and immersive learning opportunities to strengthen their leadership acumen.

#### **Mental Wellness**

Your Company has an Employee Assistance Program (EAP) to ensure that the employees are healthy both mentally and emotionally. Whether it is a slight feeling of worry or a more serious problem, employees can reach out to the EAP counsellor over call, text and email. It is a confidential counselling program that help employees cope with stress, mental illness and other issues. The Employee Assistance Program (EAP) is available 24/7 to all employees and their family members.

With an aim to leverage the benefit of EAP, PlugH – the EAP partner regularly conducts sensitizing and mental wellbeing sessions facilitated by professional counsellors covering certain real life issues and topics like parenting, time management, work life balance, stress management and others.

#### **Employee Resource Groups**

Your Company fosters a diverse and inclusive environment aligned with organizational values. Hence, voluntary and Employee led Resource Groups have been created for recreational activities and meal facilities. These groups entail people from cross functional teams who work together towards a common goal representing their fellow colleagues.

#### Fun at Work Committee

The Fun at Work Committee focuses on innovative initiatives to engage the workforce as enjoying work and ensuring camaraderie is a key element of employee happiness. Celebrations around festivals and cultural activities break the monotony at work and help people to have a more positive mind set, higher levels of wellbeing and better mental health.

#### Canteen Committee

This Committee ensures that physical and mental well being is supported with healthy eating habits. The team prioritizes healthy yet delicious meal options along with hygiene, portion control and timely breaks at our cafeterias across locations. The cafeteria vendors are thoroughly examined and then jointly finalized followed by regular reviews to ensure consistency over a period of time.

#### **RISKS AND CONCERNS**

#### Market price fluctuation

The performance of your Company may be affected by the sales and rental realizations of its projects. These prices are driven by prevailing market conditions, the nature and location of the projects and other factors such as brand, reputation and the design of the projects. Your Company follows a prudent business model and tries to ensure steady cash flow even during adverse pricing scenario.

#### Sales volume

The volume of bookings depends on the ability to design projects that will meet customer preferences, getting various approvals in time, general market factors, project launch and customer trust in entering into sale agreements well in advance of receiving possession of the projects. Your Company sells its projects in phases from the time it launches the project, based on the type and scale of the project and depending on market conditions.

#### **Execution**

Execution depends on several factors which include labour availability, raw material prices, receipt of approvals and regulatory clearances, access to utilities such as electricity and water, weather conditions and the absence of contingencies such as litigation. Your Company manages the adversities with cautious approach, meticulous planning and by engaging established and reputed contractors. As your Company imports various materials, at times execution is also dependent upon timely shipment and clearance of the material.

#### **Rental realizations**

The rental realizations on the space leased depends upon the project location, design, tenant mix (this is relevant in the case of shopping malls), prevailing economic conditions and competition. Your Company has set up its retail property in prime location and maintains a fresh ambience resulting in crowd pull and attracting first time kind of retailers. As far as the office space rentals are concerned, the same depends on demand and supply, general economic conditions, business confidence and competition.

#### Land/Development rights - costs and availability

The cost of land forms a substantial part of the project cost, particularly in Mumbai. It includes amounts paid for freehold rights, leasehold rights, fungible FSI, construction cost of area given to landlords in consideration for development rights, registration and stamp duty. Your Company acquires land/land development rights from the government and private parties. It ensures that the consideration paid for the land is as per the prevailing market conditions, reasonable and market timed. Your Company also enters into MOUs and makes advances for the land/land development rights prior to entering into definitive agreements. The ensuing negotiations may result in either a

transaction for the acquisition of the land/land development rights or the Company getting a refund of the monies advanced.

#### **Financing costs**

The acquisition of land and development rights needs substantial capital outflow. Inadequate funding resources and high interest costs may impact regular business and operations. Your Company has always tried to build sufficient reserves resulting out of operating cash flows to take advantage of any land acquisition or development opportunity.

#### **OUTLOOK**

In 2023, we anticipate further downward trends in the global economy. This however, should be an opportunity for the Indian economy to become a world leader. The real estate sector is likely to continue on its journey of long term growth as we see a continuous rise in GDP per capita, larger disposable incomes, growing urbanization and most of all a larger focus of the world on us as the next big economy.

An increase in earning potential, a need for a better standard of living and the growing base of aspirational consumers and their lifestyle changes have led to substantial growth in the sector. With suited economic growth, the premium housing segment will also witness higher demand in the years to come.

#### Focus on Mumbai and beyond

Your Company shall continue to explore development opportunities in and around Mumbai and explore hubs in the nearby regions on a case by case basis.

### Strengthen relationships with key service providers and develop multiple vendors

In order to continue delivering landmark offerings to our customer, your Company shall further strengthen its relationship with key service providers, i.e. architects, designer and contractors. Your Company is also working on strategy to develop more and more vendors who can deliver product and services in line with Company's philosophy and product offerings.

#### **Internal Control Systems**

Your Company has also focused on upgrading the IT infrastructure – both in terms of hardware and software. In addition to the existing ERP platform, the Company is presently reviewing the process documentation to ensure effectiveness of the controls in all the critical functional areas of the Company.

#### **CAUTIONARY STATEMENT**

This management discussion and analysis contain forward looking statements that reflects your Company's current views with respect to future events and financial performance. The actual results may differ materially from those anticipated in the forward-looking statements as a result of many factors.

The remuneration/compensation/commission etc. to be paid to Managing Director/Whole-time Director(s)/Executive Director(s) etc. shall be as per their employment contract/terms of appointment, subject to the limits and conditions under the Companies Act, 2013 and rules made thereunder or any other enactment for the time being in force and the approval of the shareholders.

### B. Remuneration structure of Key Managerial Personnel (KMP) and Senior Management is as detailed hereunder:

- The compensation of KMP and Senior Management personnel shall be approved by the Nomination, Remuneration, Compensation and Management Development Committee.
- ii. The Compensation of KMP and Senior Management personnel is done keeping in consideration the prevailing market value of the resource, criticality of role and internal parity of the team.
- The remuneration structure to KMPs and Senior Management personnel may include a variable performance linked component.

The payments to Non-Executive Directors are in the nature of sitting fees and commission. The level and composition of such remuneration are determined so as to be reasonable and sufficient to attract, retain and motivate Directors. Additionally, every Director is evaluated on performance evaluation framework as formulated by the Nomination, Remuneration, Compensation and Management Development Committee.

The nomination and remuneration policy is hosted on the website of the Company at <a href="https://www.oberoirealty.com/pdf/2019/Nomination\_and-Remuneration\_Policy.pdf">https://www.oberoirealty.com/pdf/2019/Nomination\_and-Remuneration\_Policy.pdf</a>

#### **DISCLOSURES REGARDING COMMODITY RISKS**

#### 1. Risk management policy of the listed entity with respect to commodities

Key input materials consumed in the projects include steel, cement, finishing and façade items. In respect of contracts for finishing material and façade items, the commodity/hedging market for these items is not fully developed and the Company keeps on evaluating on continuous basis opportunities for price risk minimisations.

The Company to a certain extent, is able to manage the risks of adverse price movements of other materials by giving all inclusive construction contracts with a built-in mechanism for moderation of any substantial movement. However, the Company is still exposed to the steel and cement price risks due to the highly volatile nature of the market and therefore Company's overall risk management program focuses on monitoring and managing steel and cement price risks.

Our risk management program for steel and cement price risk management includes the following:

- Procurement of steel and cement is outsourced as contractor's responsibility.
- Maintaining optimum inventory levels at all sites.
- Tracking inventory levels and steel and cement price trends on monthly basis through appropriate market intelligence.

Opportunities for hedging/derivatives instruments are only available for steel as of now, although with a few inherent disadvantages, owing to which the Company has decided to currently not enter into hedging for steel, to avoid speculative risks.

#### Exposure of the listed entity to material commodity and commodity risks faced by the entity throughout FY 2022-23

- **a.** Total exposure of the listed entity to commodities in: ₹ 14,535.08 Lakh
- **b.** Exposure of the listed entity to various commodities:

|---------------------------------------|----------------------|---|--|---|
| Health<br>and Safety<br>Practices     | Risk                 | Health and safety practices present significant risks to our business, which is why we place a high priority on compliance and continuous improvement. Non-compliance can result in injuries, damage to our reputation and legal and financial consequences. Therefore, we invest significant time and resources into implementing and maintaining robust health and safety practices, including regular training and risk assessments. | Regularly assess our practices to identify and address any areas of non-compliance.  Provide ongoing training to employees to ensure that they are aware of and comply with relevant regulations and standards.  Implement regular inspections and audits to identify and address any potential hazards.  Encourage open communication between employees and management to identify and address any concerns.  Continuously monitor and improve our health and safety practices to ensure compliance and mitigate potential risks. | Negative  |
| Child Labour                          | Risk                 | Child labour is a significant risk area for our business. We maintain strict policies and procedures to prevent the use of child labour in our operations, including regular monitoring and audits of our suppliers. We view compliance as critical to protecting the well-being of children and mitigating potential legal and reputational consequences.  | We conduct regular monitoring and audits of our suppliers to ensure compliance and maintain ongoing communication and education with our employees and suppliers on this issue. Any non-compliance is addressed immediately with corrective action taken. We are committed to continuously improving our mitigation plan to ensure the well-being of children.   | Negative  |
| Opportunities<br>in Green<br>Building | Opportunity          | By incorporating sustainable design features and energy-efficient systems, we can reduce operating costs, improve occupant health and comfort, and enhance our brand reputation. | Bribery and<br>Corruption   | Risk                 | As a real estate Company, bribery and corruption can pose a significant risk to our reputation and financial stability. If we engage in unethical practices such as offering bribes to government officials or accepting kickbacks from contractors, we could face legal action, fines, and damage to our reputation. This could lead to a loss of trust from our clients and investors, and ultimately impact our business operations. | To mitigate this risk, we implement strict anti-bribery and corruption policies and procedures, including training for our employees on ethical business practices. Regular audits and reviews of our financial transactions also help identify any potential red flags and ensure compliance with laws and regulations. By taking these steps, we protect the Company from the negative consequences of bribery and corruption. | Negative  |  |
| Data protection and privacy | Risk                 | As a real estate Company, data protection and privacy are critical concerns because of the sensitive nature of the information we handle. ## 6. Statement by Director responsible for the business responsiblity and sustainability report, highlighting ESG related challenges, targets and achievements.

As a leading entity in the Indian real estate sector, and recognizing our responsibility as a corporate citizen, we acknowledge that our growth and development must create value for all our stakeholders. Through our engagement with them, we have identified the need to extend our contribution beyond our fiduciary responsibilities and prioritize sustainable development.

To this end, we have established an Environment, Social & Governance (ESG) Steering Committee, which is headed by our Chairman & Managing Director, and comprises representatives from all major business functions. This committee has enabled us to integrate sustainability and critical ESG aspects into our operational approach.

At Oberoi Realty, we have implemented a transparent, accountable, and robust governance framework that enables us to deliver positive outcomes. We uphold our commitments through strong policies and processes, including our environment, health and safety (EHS) policy, procurement policy, employee engagement activities, and approach to project delivery. These policies

have facilitated our success and established us as a "partner of choice" for our customers, employees, communities, and other stakeholders.

Our duty to protect the natural environment surrounding our projects drives our commitment to green design and construction. We prioritize energy efficiency and innovation in our projects to optimize resource utilization and minimize waste. Our efforts have included the implementation of sensor-based taps, water-efficient fittings, energy-efficient HVAC systems, on-site organic waste converters, and rainwater harvesting systems. Our commitment to sustainability has been recognized through the USGBC LEED Platinum Certification awarded to the Oberoi Mall, the first retail destination in India to receive this distinction. Most of our recent projects are LEED pre-certified, and we are actively pursuing certification for all our standing, owned and commercial assets.

1. Processes in place to avoid/manage conflict of interests involving members of the Board.

The Company obtains annual declarations from the Board of Directors and Key Managerial Personnel (KMP) regarding their interests in any entities. This is to ensure that all requisite approvals mandated by the relevant statutes and the Company's policies are obtained prior to engaging in transactions with such entities or individuals.

Additionally, the Nomination & Remuneration Committee conducts a comprehensive assessment of potential conflict of interest scenarios when inducting new Directors to the Board. It is also noteworthy that Directors abstain from voting or participating in decision-making processes concerning matters where a conflict of interest exists or may arise.

### Principle 2: Businesses should provide goods and services in a manner that is sustainable and safe

#### **Essential Indicators**

 Percentage of capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total capex investments made by the entity.

As a real estate sector Company, investment in research and development activities is not applicable, with respect to capital expenditure in specific technologies to improve the social and environmental impacts of our products.

Going forward, the Company aims to explore and prioritize investment opportunities that align with its commitment to sustainability and responsible business practices. This will involve a comprehensive assessment of its current operations, environmental footprint, and social impact, as well as identifying potential areas for improvement.

The Company recognizes the importance of investing in sustainable technologies and practices to drive long-term value and contribute positively to society and the environment. Thus, it remains committed to exploring innovative and effective solutions to enhance its environmental and social impact, while also delivering value to its stakeholders.

2. Does the entity have procedures in place for sustainable sourcing? (Yes/No). If yes, what percentage of inputs were sourced sustainably?

Enshrined in the Company's Procurement Policy is our commitment reduce the environmental impact of our goods and services through adopting procurement practices that are sustainable in nature. We also place a strong focus on promoting local procurement practices and encouraging engagement with suppliers in close proximity, thereby greatly contributing to overall community development as well. Such a focus also enables us to manage and reduce our carbon footprint form transportation.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Company is committed to minimizing waste and maximizing the reuse and recycling of materials. A robust waste management mechanism has been established for proper collection and disposal of all waste. We also undertake regular waste audits to identify and increase number of opportunities for waste reduction, reuse and recycling.

- Plastic waste is managed through a robust waste segregation program at all sites, office premises, residential buildings, and hotel business, which includes a dedicated bin for plastic waste. The collected waste is then sent to authorized recyclers for processing. Further, in order to reduce the use of plastic bottles, Westin MGC has installed an in-house glass water bottling plant to replace plastic bottles with glass bottles. Prior to installation of the plant, the average monthly consumption of plastic bottles amounted to 34,000. Since establishment of the plant, the average monthly consumption has reduced by 55% to 15,000 plastic bottles.
- Recognizing the importance of proper disposal of electronic waste and we have established tie-ups with authorized e-waste recyclers for safe and secure disposal of electronic waste. The Company also ensures that all electronic equipment used in its operations are properly maintained and serviced to prolong their lifespan.
- Hazardous waste generated at the Company's sites is stored in secure containers and is disposed of through authorized

waste disposal channels. At Westin MGC, safe disposal of kitchen oil and DG (diesel generator) oil is undertaken through certified vendors who specialize in the treatment of these oils.

Other waste: We have implemented a robust waste segregation system within our premises. Our dedicated staff ensures that waste is appropriately separated into different categories based on its composition, such as recyclable materials, non-recyclable materials, organic waste, and hazardous waste. Once waste segregation is completed, we engage authorized agencies specialized in waste management for its safe disposal. These agencies adhere to strict regulations and protocols to ensure the proper treatment and disposal of waste in compliance with environmental guidelines.

At Westin MGC, waste bins with partitions for segregating recyclable and non-recyclable materials, including wet waste, food waste, cardboard, paper, and glass bottles are provided. All waste from guest rooms and public areas is collected in a designated garbage room. Within the garbage room, our diligent staff sorts the waste based on its material composition, distinguishing categories such as paper, plastic, glass, metal, compostable, and non-compostable items. All waste is then disposed of through authorised vendors.

We have also established On-Site Waste Converter (OWC) machines across our premises. This machine efficiently treats wet waste collected, transforming it into valuable and nutrient-rich manure, which can be used for various eco-friendly purposes. By adopting these waste management practices, we strive to minimize our environmental impact and contribute to a greener future.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same Extended Producer Responsibility (EPR) is applicable to the entity's activities.

The Company's workers are those who have been employed through contractors and subcontractors at our construction sites. While these workers are not on our direct pay roll, we have implemented a comprehensive worker welfare program that includes regular health check-ups for workers every six months. Additionally, the Company provides various labour welfare facilities such as accommodation, food, recreation facilities, rest rooms, drinking water, toilets, and urinals, as well as health care facilities such as first aid services with qualified doctors and nurses, and emergency care services with ambulance facilities.

To ensure a healthy and safe work environment, the Company conducts regular pest control, fogging, and sanitization activities at its sites. The Company places a significant emphasis on recognizing and motivating its workers by providing safety awards and housekeeping competitions.

#### 10. Health and safety management system.

## a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, what is the coverage of such a system?

The Company places a high priority on maintaining a safe and healthy workplace environment for all of its employees. To uphold this commitment, we have established a Health and Safety management system. It sets out clear expectations and responsibilities for both employers and employees in ensuring occupational health and safety and provides a detailed roadmap for taking preventative measures.

Our comprehensive health and safety system covers a range of essential topics including work-related hazards, infection control practices, medical examinations, staff education on health and safety and healthcare privileges. We believe that by prioritizing the health and safety of our employees, we create a positive and productive work environment that benefits everyone involved.

## b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The hazard identification and risk assessment process consist of three stages, involving both ORL and contractors. The following procedures are followed:

- Each contractor prepares a method statement and risk assessment, which is reviewed and approved by ORL for implementation.
- After conducting due diligence on site EHS requirements, the contractor submits their EHS Plan, which is then approved by ORL for implementation.
- Contractors are responsible for preparing a Monthly Inspection Schedule and conducting inspections of plant, machines, and workplace to identify hazards and take corrective actions.
- ORL staff also plan cross inspections through a Monthly Activity Plan, and any identified hazards are reported to the
  respective contractors through the BIM 360 App.
- The Central Safety Team conducts a Monthly EHS Audit of the site, generating a detailed report with an EHS Rating, which is submitted to Projects for corrective action.
- In addition, the Civil Contractor performs third-party safety audits and takes corrective actions.
- Mandatory Third-Party Inspections (TPI) are conducted every six months on all material lifting cranes, tools, tackles, pressure vessels, and passenger hoists, and corrective actions are completed as necessary.
- At Oberoi Mall, we prioritize safety through a systematic approach. We identify and assess hazards for both routine
  and non-routine activities. Effective control measures are implemented to mitigate risks. Job safety instructions and
  Standard Operating Procedures (SOPs) are meticulously prepared and prominently displayed at designated areas,
  ensuring a secure environment for all.
- At Westin MGC, we conduct Daily Rounds, providing regular updates and feedback. Our JSA Trainings enhance safety awareness, minimizing risks. Additionally, we offer New Joiner Orientations, ensuring seamless integration into our dynamic team.

#### c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks.

As part of our commitment to maintaining a safe and secure work environment, we ensure that all workers are provided with comprehensive safety induction training, which includes daily toolbox talks and job safety training.

This training empowers our workers with the knowledge and skills necessary to identify potential hazards within their respective tasks and take swift corrective actions to mitigate risks. We firmly believe that by equipping our workers with the necessary tools and training, we can create a safer work environment that protects the well-being of our employees while ensuring maximum efficiency and productivity.

We have also implemented rigorous safety protocols and procedures that are strictly enforced to minimize risks and prevent accidents from occurring. Our safety culture is ingrained in every aspect of our operations, and we continuously strive to improve our safety practices to ensure the utmost protection for our workers.

At Oberoi Mall, we foster a culture of proactive safety measures. Our workers actively engage in safety inspections, reporting near misses, and providing valuable suggestions through our safety suggestion box. Regular safety committee meetings are held to discuss and address concerns, ensuring continuous improvement in our safety practices. Your well-being is our top priority.

## d. Do the employees/workers of the entity have access to non-occupational medical and healthcare services?

The Company strongly recognizes that the holistic well-being of all employees is crucial to achieving business success and growth aspirations. As such, we have adopted a people-focused approach that emphasizes employee well-being through regular consulting and training on physical health, mental health, and overall wellness.

In order to provide the right culture and prioritize employee well-being, the Company implements a robust Employee Assistance Program (EAP) in partnership with MediBuddy. Through this channel, our employees can avail 24\*7 tele-counselling confidential support throughout the year. This support is also extended to the family members of employees. The Company also undertakes face-to-face counselling wherever required. In addition, we also undertake dedicated online sessions on mental wellness to generate awareness and sensitize our employees.

We also have a fully equipped first aid centre manned by trained first aiders, ready to assist our employees in any situation. Additionally, we have a medical doctor available for consultation to provide our employees with the necessary medical attention and support when needed.

At Oberoi Mall, to provide comprehensive medical support, we have a dedicated ambulance stationed on the premises with trained paramedic staff. They are available for consultations and assistance related to non-occupational medical needs.

At Westin MGC, we prioritize the well-being of our guests and employees. Our hotel provides convenient access to doctor services three times a week. Furthermore, we have established a valuable partnership with Sanjeevani Hospital, ensuring prompt and reliable medical assistance whenever needed.

## 12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

Our organization prioritizes the safety and wellbeing of our staff and workers. To achieve this, we have implemented a range of comprehensive measures that ensure a safe working environment, including:

- Regular EHS Audits are conducted to identify potential hazards and maintain a safe working environment.
- Periodic safety training for staff and workers, including EHS Induction, Daily TBT, staff training, and emergency mock drills to keep them informed and prepared.
- Utilization of mechanized equipment, such as Tower cranes, batching plant, passenger hoist, concrete pump & boom placers, mivan shuttering, RSP for height access, and mobile platforms for height work, to prevent the need for manual labour and minimize safety risks. Additionally, we utilize insulated power tools and earth fault and overload protection devices in our electric supply system to prevent electrocution and short-circuit hazards and ensure risk-free working conditions.

- Periodic removal of construction waste, to maintain a clean and safe working environment.
- Regular cleaning of washrooms and drinking water tanks, to provide a hygienic working environment.
- Regular medical check-ups for our staff and workers at the entry level and organize periodic health camps to create awareness and ensure the wellbeing of our employees.
- Provision of appropriate personal protective equipment (PPE), including safety harnesses for height work, to ensure that our employees are always protected.
- Utilization of scaffolding and mobile platforms for height work to ensure that our staff and workers can work safely at elevated heights.
- Electric supply panels are equipped with Miniature Circuit Breaker (MCB) and Residual Current Circuit Breaker (RCCB) protection, ensuring that our electrical systems are safe and secure.

#### **Leadership Indicators**

 Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The above table provides details on the manner, mode and objective of the Company's stakeholder engagement processes. The Company has always maintained that a constant and proactive engagement with our key stakeholders enables ORL to better communicate its strategies and performance. A continuous engagement helps align expectations, thereby enabling ORL to better serve its stakeholders. Insights generated through such stakeholder engagement are regularly communicated to the ESG Steering Committee.

2. Has stakeholder consultation been used to support the identification and management of environment and social topics? If so, provide details of instances as to how the inputs received from stakeholders?

In FY 2022-23, we undertook a materiality assessment to identify and determine material issues most relevant to the Company. The first step of this process was to analyse the relevant ESG topics for the Real Estate Industry. After analysing the macro business landscape and understanding the sector specific trends pertinent to our business and operating locations, thirty-one topics were finalised for consideration. These were shared with our internal and external stakeholders through a survey for their feedback on the relative priority of these ESG aspects with respect to our business operations globally. The stakeholders included representative samples of our employees, suppliers, contractors, customers, media and other partners. The feedback from these stakeholders was critically reviewed by Senior Management and the ESG aspects were assessed based on their potential impact upon our business and strategy over the short to medium-term. We identified ten topics to be of importance to both stakeholders and the business and these have now been included in our overall strategic decision-making process.

## 3. Details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups.

Fostering and maintaining positive relationships with communities greatly strengthens our social license to operation and brand value. Engagement with marginalised/vulnerable communities is guided by the Company's Corporate Social Responsibility (CSR) policy. Our CSR philosophy is rooted in our commitment to empower communities in and around our operations and contributing to the creation of a better future for all. The Company has partnered with the Youth Career Initiative and Yuva Parivartan to provide training and skilling opportunities in food and beverage services, culinary arts and housekeeping for high-risk youth from these communities, enabling them to seek and gain meaningful employment. Of 13 participants who have undergone this training, the Company has recruited 2 in food and beverage service and 1 in culinary arts as full-time associates.

#### Principle 5: Businesses should respect and promote human rights

#### **Essential Indicators**

## 4. Do you have a focal point (individual/committee) responsible for addressing Human Rights impacts or issues caused or contributed to by the business?

The Company's Human Resources Head of Department (head.hr@oberoirealty.com) is the nodal authority for managing all human rights related impacts or issues of the Company.

#### 5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

The Company is committed to protecting and promoting human rights and strongly recognises the need for a robust mechanism for grievance redressal. Our employees can report grievances to our dedicated email address, head.hr@oberoirealty.com, and our HR team takes prompt action to investigate and resolve the issue.

Under the ambit of the POSH policy, the Internal Complaints Committee addresses all complaints and grievances with respect to sexual harassment. We also have a whistle-blower mechanism that enables employees to report malpractices anonymously without fear of retaliation. We are committed to creating a safe and inclusive work environment that upholds human rights principles and promotes trust and respect among all members of the organization.

#### Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

The Company has a strict zero tolerance approach towards any form of discrimination, retaliation, or harassment against employees who report under the vigil mechanism or participate in an investigation. As enshrined in our Whistle-blower policy and Code of Conduct, the identity of the complainant is kept confidential and strong efforts are made to prevent any form of retaliation.

In order to create a culture of transparency and accountability, we empower our leaders to take swift and appropriate action against any violators of our policies, ensuring that every employee is treated with dignity and respect. We strive to create a culture of transparency, fairness, and respect, in line with our values.

#### 8. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes, human rights requirements are included as contractual requirements within all business agreements, contracts and purchase orders, in alignment with our Code of Conduct. We are committed to creating a culture of accountability and transparency, grounded in ethical principles.

#### 9. Details on Assessments of the year.

No specific assessments were carried out by the Company or any statutory body or third parties. However, the Company's unwavering commitment to Human Rights lies at the core of its business operations. Our strict internal vigilance mechanisms ensure that every aspect of our business is conducted with unwavering fairness, transparency, and respect, in strict adherence to all national and international Human Rights standards.

# 10. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 9 above.

Not Applicable.

#### **Leadership Indicators**

#### Details of a business process being modified/ introduced as a result of addressing human rights grievances/ complaints.

The Company is committed to upholding the principles of Human Rights and conducts daily operations in line with this commitment.

## 2. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes, the Company's corporate office in Goregaon, Mumbai is accessible to differently abled visitors.

#### 3. Details on assessment of value chain partners.

All value chain partners are assessed on critical aspects of Human Rights during the onboarding process. Throughout their engagement with the Company, we encourage all our partners to promote and protect Human Rights within their operations.

## 4. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from assessments of Question 4 above.

Since the Company is compliant, there was no corrective action suggested by an auditing or inspecting authority for FY 2022-23

## Principle 6: Businesses should respect and make efforts to protect and restore the environment

#### **Essential Indicators**

### 1. Details of total energy consumption (in Joules or multiples) and energy intensity.

The Company strives to incorporate innovative, clean, and efficient technologies across all our projects. Our focus is on optimizing energy and resource efficiency, and we have implemented various interventions to achieve this goal, including installation of light fixtures with time-based sensors, use of sustainable HVAC systems, installation of motion and day light sensors, key cars and fan and light control units. Further, to enhance usage of renewable energy, the Company has also installed solar rooftop PV panels that can support approximately 18-20% of the common area load and can help decrease the dependency on grid electricity.

#### Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India?

Yes, for Westin MGC, the initial target set by Perform Achieve Trade (PAT) for energy consumption was 36.62 TOE (Tonne of Oil Equivalent), but we have successfully achieved a lower consumption of 33.15 TOE.

## 3. Provide details of the following disclosures related to water.

The Company is committed to minimizing its reliance on freshwater and maximize the potential recycling and reuse of its process water in accordance with circularity principles

in order to ensure a water-secure future. Over and above compliance, our projects have undertaken rainwater harvesting that drains excess rainwater into groundwater recharge pits to promote groundwater recharge. Additionally, to enhance optimal usage of domestic water wherever possible such as maintaining minimum cistern water levels, efficient water fittings and sensor-based taps. The Company has also integrated sewage treatment plants, embedded with the latest technology, across all premises to address water scarcity challenges.

## 4. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

The Company's residential and commercial assets (completed as well as upcoming) are equipped with state-of-the-art Sewage Treatment Plants (STP) and Rainwater Harvesting (RWH) systems that work in tandem to provide a mechanism for Zero Liquid Discharge. The treated/collected water from the STP/RWH is re-circulated and re-used for toilet flushing, gardening, landscape irrigation etc.

## 5. Provide details of air emissions (other than GHG emissions) by the entity.

The Company strives to minimize other significant air emissions to ensure healthy air quality in areas of operation by putting measures in place to limit emissions at the source. The onus lies with the contractor to conduct an ambient air and noise monitoring survey through the authorized agency at the initial stage of the project and later every six months as per SPCB/CPCB standards. In addition to this, we have undertaken various initiatives to reduce dust and noise pollution such as tire and road cleaning, installation of sprinklers, use of sound barriers in the construction sites etc. Further, the Company prioritises the usage of low Volatile Organic Compound (VOC) paints, sealants and adhesives to ensure healthy indoor air quality.

#### Does the entity have any project related to reducing Greenhouse Gas emissions? If yes, then provide details.

The Company is committed to amplifying efforts to contribute to the global agenda of combating climate change. There is strong emphasis on using renewable energy sources while also expanding green spaces by implementing several tree plantation and transplantation initiatives. Strong focus has also been placed on installation of energy efficient fixtures across premises.

In furtherance of the Company's commitment to a reduced carbon footprint, the Oberoi Mall also offers an Electric Vehicle charging facility and free parking for bicycles. Additionally, in FY 2023, Westin MGC has undertaken an Energy Audit to assess current energy consumption and potential opportunities for increased energy efficiency, as well as increased renewable energy usage.

 Briefly describe the waste management practices adopted in your establishments.
 Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

The Company has adopted a precautionary approach towards waste management and evaluates various options of resources, technologies and processes in order to minimize waste generation. We aim to benchmark our waste management practices in the industry, facilitate a circular economy and optimize resource utilization by adopting the 3 R (reduce, reuse and recycle) approach.

The Company has implemented a construction waste management procedure for all project sites and have designated a focal point to be in charge of waste management. To prevent uncontrolled trash tips, each project has designated waste collection points on site with proper categorization (debris, wood, plastic, metal, glass, etc.) Proper waste disposal including recycling and waste segregation requirements are ensured as per compliance regulation of local authority at all sites.

Along with efficiently managing construction waste, we have procedures in place for effective biodegradable waste management. To sustainably handle our organic waste, we have installed Organic Waste Converters (OWC) in most of our project. These composts are produced under regulated circumstances from various biodegradable waste and are utilized to make natural fertilizers. This aids in enhancing soil health by decreasing the usage of chemical fertilizers along with cost savings.

Similarly at Westin MGC, the installation of organic waste composter machines has enabled the treatment of 80-120 kg of wet waste/day, amounting to approximately 36,500 kg of wet waste annually. Other such as E-waste, cooking oil and engine oil is managed through authorized MPCB recycling vendors. Along with these initiatives, waste segregation is meticulously carried out here through colour-coded bins. These initiatives further strengthen the Company's commitment to reducing its environmental footprint.

10. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required.

The Company's operations are not located in and around ecologically sensitive areas.

11. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

The Company has not undertaken any environmental impact assessment of projects in FY 2022-23.

12. Is the entity compliant with the applicable environmental law/regulations/guidelines in India, such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection Act and rules thereunder (Y/N). If not, provide details of all such non-compliances.

Yes, the Company is complaint with all applicable environmental laws/regulations/guidelines in India, monitored through a centralised system.

<sup>14</sup> Data on waste generated and disposed has been tracked and made publicly available from FY 2022-23.

2. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

The Company does not have operations in ecologically sensitive areas.

 If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives.

Aligned to the Company's commitment to sustainability and positive environmental impact, business operations of the Company have made focused efforts to incorporate innovative, clean, and efficient technologies across projects. Multiple interventions have been adopted in our operations strategy and plan in order to optimize energy and resource efficiency.

#### **Essential Indicators**

 Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

The Company's projects do not fall under the purview or warrant the need for a Social Impact Assessment (SIA).

 Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity.

None of the Company's operations and units have caused displacement to local communities due to which Rehabilitation and Resettlement (R&R) would need to be undertaken

3. Describe the mechanisms to receive and redress the grievances of the community.

We recognize the importance of protecting the lives and livelihoods of those residing in and around the area in which we operate. As part of our strong commitment to responsible business practices, we are constantly seeking ways to minimize any potential adverse impacts that may arise from our operations.

In this regard, we have established an open-door policy that fosters a culture of transparency and accountability, enabling local community members to voice any concerns or grievances they may have. Through this approach, we aim to build strong and lasting relationships with the communities in which we operate, grounded in mutual respect and trust. We firmly believe that by working in partnership with local communities, we can ensure that our operations are conducted in a socially responsible and sustainable manner that benefits all stakeholders.

#### **Leadership Indicators**

 Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Not Applicable.

 Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies.

The Company has not undertaken any CSR projects in designated aspirational districts.

3. Do you have a preferential procurement policy for vulnerable/marginalized suppliers?

No, the Company does not have a preferential procurement policy for vulnerable/marginalised suppliers. Focused efforts are made to procure from vulnerable/marginalised suppliers where applicable.

4. Details of beneficiaries of CSR Projects.

Fostering and maintaining positive relationships with communities greatly strengthens our social license to operation and brand value. A Corporate Social Responsibility (CSR) policy, developed in compliance with Section 135 of the framework to our approach to community relations and development.

The Company's CSR philosophy is rooted in our commitment to empower communities in and around our operations and contributing to the creation of a better future for all. Our CSR activities are implemented by an in-house governance mechanism and teams. This ensures greater control over project implementation, leading to greater outreach and impact. We also undertake regular internal tracking and evaluation efforts to ensure that our CSR activities are achieving the desired impact and outcome.

Further, in the reporting year the Company has partnered with the 'Save Soil Movement' to address the global soil prices and raise awareness. The Company undertook a campaign to educate patrons about the agricultural soil degradation issue and the need for measures to increase green cover across the globe through afforestation. As part of the campaign, Oberoi Mall has set up a one-of-a-kind globe installation for stakeholders to support for a greener planet. Various other activities have also been undertaken to sensitize stakeholders.

#### 4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief.

As a real estate developer, our focus is on creating sustainable and environmentally friendly buildings. While we don't manufacture traditional products, we take great pride in ensuring that all our buildings have received Green Building certification. This certification highlights our commitment to constructing eco-conscious structures that minimize their impact on the environment.

In line with the Real Estate (Regulation and Development) Act 2016 (RERA) implemented by the Government, we comply with the regulations by providing comprehensive information about our projects. This includes details about the projects, such as their features, amenities, layout plans, and any other relevant information.

Furthermore, we understand the importance of transparency, and as per the regulations, we regularly provide updates on the progress of our projects. These updates are shared quarterly on the MahaRera website, ensuring that potential buyers and stakeholders have access to accurate and up-to-date information about our projects. By adhering to RERA guidelines and displaying project information on the MahaRera website, we aim to foster trust, transparency, and accountability in the real estate sector.

# 5. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Resolving customer grievances and gathering feedback from customers and guests who visit our sales offices and projects is a top priority for our Company. We have established an internal mechanism to address these issues effectively.

To collect feedback, we utilize survey forms that encompass a wide range of factors, including ambiance and look, staff presentation, amenities, knowledge and understanding, overall experience, and more. These forms allow customers to provide ratings and express their opinions on various aspects related to their interactions with us.

The Company conducts a quarterly comprehensive survey to evaluate consumer satisfaction specifically related to our commercial asset projects, namely Commerz I and II. The survey aimed to assess various aspects, such as the quality of our properties, customer service experience, responsiveness to inquiries, and overall satisfaction with the offerings provided.

Through this survey, we sought to gather valuable feedback from our customers in order to identify areas where we can further enhance our services. The results of the survey were highly encouraging, as Commerz I received an overall satisfaction score of 97%, while Commerz II received a score of 94%.

Additionally, we conduct lifecycle surveys periodically, specifically after the transfer of possession of our residential projects. These surveys help us gauge customer satisfaction at different stages of the project, enabling us to make necessary improvements and adjustments based on their feedback.

We deeply value the opinions and feedback of our customers, and these impressive scores serve as a testament to their positive experiences with our Company. We are committed to continually improving and providing exceptional services that meet and exceed our customers' expectations.

#### 6. Details on data breaches.

The Company has not had any data breaches with respect to consumers and their personally identifiable information in FY 2022-23.

## FINANCIAL STATEMENTS

#### To the Members of Oberoi Realty Limited

#### Report on the Audit of the Consolidated Financial Statements

#### **Opinion**

We have audited the accompanying consolidated financial statements of Oberoi Realty Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures comprising of the consolidated Balance sheet as at March 31, 2023, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, and its joint ventures, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its joint ventures as at March 31, 2023, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and its joint ventures in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

#### **Key audit matters**

#### How our audit addressed the key audit matter

#### Ind AS 115 - Revenue from Contract with Customers (as described in note 1.2.9 and 42 of the consolidated financial statements)

Revenue from real-estate contracts is recognised over a period of time in accordance with the requirements of Ind AS 115 using the percentage of completion method. This determination is based on the proportion that contract costs actually incurred, bear to the estimated total contract costs, and requires significant judgements, including estimate of balance costs to complete, identification of contractual obligations, the Group's rights to receive payments for performance completed till date, changes in scope and consequential revised contract price.

Revenue recognition is significant to the consolidated financial statements based on the quantitative materiality. The application of percentage of completion method involves significant judgement as explained above. Accordingly, we regard these as key audit matter.

Our audit procedures included, among others:

- We read the accounting policy for revenue recognition of the Group and assessed compliance with the requirements of Ind AS 115.
- We assessed the management evaluation of recognising revenue from real estate contracts over a period of time in accordance with the requirements under Ind AS 115.
- We tested controls over revenue recognition with specific focus on determination of percentage of completion, recording of costs incurred and estimation of costs to complete the remaining contract obligations.
- We inspected a sample of underlying customer contracts, performed retrospective assessment of costs incurred with estimated costs to identify significant variations and assess whether those variations have been considered in estimating the remaining costs-to-complete and consequential determination of stage of completion.
- We tested controls and management processes pertaining to recognition of revenue over a period of time in case of real estate projects.
- We performed test of details, on a sample basis, and inspected the underlying customer contracts/agreements evidencing the transfer of control of the asset to the customer based on which revenue is recognised over a period of time.
- We assessed the disclosures included in the consolidated financial statements, as specified in Ind AS 115.

#### Assessing the carrying value of Inventory (as described in note 1.2.15 and 11 of the consolidated financial statements) and advances paid towards land procurement (as described in note 10 and 44 of the consolidated financial statements)

As at March 31, 2023, the carrying value of the Our audit procedures included, among others: inventory of ongoing and completed real-estate projects is ₹ 8,54,175.62 lakh. The inventories are held at the lower of the cost and net realisable value ("NRV").

The determination of NRV involves estimates based on prevailing market conditions and taking into account the stage of completion of the inventory, the estimated future selling price, cost to complete projects and selling costs.

Advances paid by the Group for acquisition of land or Transferable Development Rights ('TDR'), is recognised as advances to vendors under other assets.

With respect to these advances, the net recoverable value is based on the management's estimates and internal documentation, which include, among other things, the likelihood when the land acquisition would be completed, the expected date of plan approvals for commencement of project and the estimation of sale prices and construction costs.

We identified the assessment of the carrying value of inventory and land advances as a key audit matter due to the significance of the balance to the consolidated financial statements as a whole and the involvement of estimates and judgement in the assessment.

- We evaluated the design and operation of internal controls related to testing recoverable amounts with carrying amount of inventory and advances, including evaluating management processes for estimating future costs to complete projects.
- As regards NRV, for a sample of selected projects, compared costs incurred and estimates of future cost to complete the project with costs of similar projects and compared NRV to recent sales or to the estimated selling price applied in assessing the NRV.
- For advances for acquisition of land or TDR, as part of our audit procedures:
  - We read the documentation relating to the advances paid and obtained from management the status of the advances.
  - We obtained and assessed management's assumptions relating to proposed projects, estimated time-frame, and forecast sales.
  - We circularized requests for balance confirmations and examined responses.

#### **Key audit matters**

#### How our audit addressed the key audit matter

## Investment in joint ventures and loans to group entities (as described in note 7, 12 and 16 of the consolidated financial statements)

The carrying amount of investment in joint ventures held at cost represent 2.25% of Group's total assets. The loan to joint ventures represents 2.79% of the Group's total assets.

Recoverability of investment (including loans) in joint ventures:

The Group's investment in joint venture are carried at cost. The investments are assessed for impairment at each reporting date. The impairment assessment involves use of estimates and judgements. The identification of impairment events and determination of impairment charge also require significant judgement by the Group. The judgement in particular is with the respect of timing, quantity and estimation of projected cash flow of the real estate projects in these underlying entities.

In view of the significance of these investments and above, we consider valuation/impairment of investment in joint ventures to be key audit matter.

Our audit procedures included, among others:

- We evaluated design and implementation and tested operating effectiveness of control over the Group's process of impairment assessment and approvals of forecast.
- We assessed the financial position of the joint ventures to identify excess
  of the proportionate net assets over the carrying amount of investment
  by the Group and assessed the profit history of those joint ventures
  where applicable.
- For the investment where carrying amount exceeded the net asset value, obtained understanding from the Group the basis and assumptions used for the projected profitability.
- We verified the input used in the projected profitability.
- We tested the assumptions and obtained understanding of the forecasted cash flows of joint ventures based on our knowledge of the companies and the market in which they operate.
- We assessed the comparability of the forecast with historical information.
- We analysed the possible indicator of impairment and obtained understanding of the Group's assessment of those indicators.
- We assessed the disclosures in respect of the investment in joint ventures.

#### Tax litigations and exposures (as described in note 1.2.16 and 40.4 to the consolidated financial statements)

The Group has various tax litigations/matters that are pending before tax authorities. The Group assesses such litigations/matters on a periodic basis and a provision or disclosure is made based on such assessment.

For the tax litigations/matters referred to in note 40.4, including the conclusion of the matter relating to the application under section 245C of the Income Tax Act 1961 referred to in note 40.4(iii) thereof, significant management judgement is required in assessing the exposure due to the inherent uncertainties as to likely outcome, and due to the nature and timeframe involved, taxation exposures are identified as a key audit matter

Our audit procedures included the following, among others:

- We obtained an understanding of the Group's process to identify claims, litigations and contingencies and the key controls implemented. For select controls, evaluated their design and tested their operating effectiveness.
- We obtained a list of tax litigations/matters from the Group and performed inquiries with the management, as to their likely outcome, financial impact and repetitiveness and obtained management representation thereon.
- We examined the evidences to corroborate management's assessment of the risk profile in respect of these matters including reading the Group's submissions to relevant authorities and orders received in this regard.
- In relation to the material tax litigations/matters, we involved our tax specialists, as appropriate, to perform an independent assessment of the conclusions reached by management.
- We evaluated management's assumptions, estimates and judgements used in the calculations of such provisions.
- We read the disclosures in the consolidated financial statements to assess if they reflect the key facts and circumstances of the underlying tax exposures.

#### Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their the Group and of its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and of its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and its joint ventures are also responsible for overseeing the financial reporting process of the Group and of its joint ventures.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such

disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint ventures of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

- (a) We did not audit the financial statements and other financial information, in respect of three subsidiaries; whose financial statements include total assets of ₹ 2,099.56 lakh as at March 31, 2023, and total revenues of ₹ 1.14 lakh and net cash inflows of ₹ 1.79 lakh for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated financial statements also include the Group's share of net profit of ₹ 94,436.60 lakh for the year ended March 31, 2023, as considered in the consolidated financial statements, in respect of three joint ventures, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and joint ventures and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures, is based solely on the reports of such other auditors.
- (b) The accompanying consolidated financial statements also include the Group's share of net loss of ₹ 326.07 lakh for the year ended March 31, 2023, as considered in the consolidated financial statements, in respect of six joint ventures, whose financial statements and other financial information have not been audited and whose unaudited financial statements, other unaudited financial information have been furnished to us by the Management. Our opinion, in so far as it relates amounts and disclosures included in respect of these joint ventures, and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid joint venture, is based solely on such unaudited financial statements and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

#### **Report on Other Legal and Regulatory Requirements**

## ANNEXURE 2 REFERRED TO IN PARAGRAPH (f) UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Oberoi Realty Limited ("the Holding Company") as of and for the year ended March 31, 2023, we have also audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies (the Holding Company and its subsidiaries together referred to as "the Group") and its joint ventures, which are companies incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Holding company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control with reference to consolidated financial statements.

#### Meaning of Internal financial controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal financial controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Group and its joint ventures, which are companies incorporated in India, have, maintained in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance issued by the ICAI.

#### Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to one subsidiary, which is a company incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

### 1.1 NATURE OF OPERATIONS

Oberoi Realty Limited (the 'Company' or 'ORL'), a public limited company is incorporated in India under provisions of the Companies Act applicable in India. The consolidated Ind AS financial statement ('CFS') comprises financial statements of the Company together with its subsidiaries and joint arrangements (collectively referred to as the 'Group') for the year ended March 31, 2023. The Group is engaged primarily in the business of real estate development and hospitality.

The Company is headquartered in Mumbai, India. The shares of the Company are listed on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited. Its registered office is situated at Commerz, 3<sup>rd</sup> Floor, International Business Park, Oberoi Garden City, Off Western Express Highway, Goregaon (East), Mumbai-400 063 (CIN: L45200MH1998PLC114818).

The consolidated Ind AS financial statements for the year ended March 31, 2023 were authorised and approved for issue by the Board of Directors on May 16, 2023.

### 1.2 SIGNIFICANT ACCOUNTING POLICIES

### 1.2.1 Basis of preparation

The consolidated Ind AS financial statements of the Group have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, as applicable to the CFS.

The consolidated Ind AS financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The consolidated Ind AS financial statements are presented in Indian Rupee ("INR") and all values are presented in INR Lakh and rounded off to the extent of 2 decimals, except when otherwise indicated.

### 1.2.2 Basis of consolidation

The consolidated Ind AS financial statements comprise of financial statements of the Company and its subsidiaries and joint arrangements for which the Company fulfils the criteria pursuant to Ind AS 110 and joint arrangements within the scope of Ind AS 111.

### (i) Subsidiaries

Subsidiaries are entities controlled by the Company. Control exists if and only if all of the following conditions are satisfied:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- (b) Exposure, or rights to variable returns from its involvement with the investee; and
- (c) The ability to use its power over the investee to affect the amount of the investors' returns.

Subsidiaries are consolidated from the date control commences until the date control ceases.

The Ind AS financial statements of the subsidiaries are consolidated on a line-by-line basis and intra-group balances and transactions including unrealised gain/loss from such transactions are eliminated upon consolidation. The consolidated Ind AS financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

All the subsidiaries are wholly owned subsidiaries and therefore there is no non-controlling interest.

### (ii) Joint arrangements

### (a) Joint ventures

A joint venture is a type of joint arrangement whereby the parties have joint control of the arrangement and have rights to the net assets of the arrangement. Joint Control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The Group's investments in joint ventures are accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

Unrealised gains and losses resulting from transactions between the Group and the joint venture are eliminated to the extent of the interest in the joint venture.

The Ind AS financial statements of joint ventures are prepared for the same reporting period as the Group. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

For details of joint venture considered in the consolidated Ind AS financial statements as at March 31, 2023 please refer note 36.

### (b) Joint operations

A joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets and obligations for the liabilities, relating to the arrangement. Those parties are called joint operators.

For details of joint operation considered in the consolidated Ind AS financial statements as at March 31, 2023, please refer note 36.

All subsidiaries and joint arrangements have a reporting date of March 31.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (iii) Business combinations and goodwill

Business combinations other than common control are accounted for using the acquisition method.

The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non- controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are recognised in the Statement of Profit and Loss as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances, operating or accounting policies and pertinent conditions as at the acquisition date.

Goodwill is initially measured at cost. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Any impairment loss for goodwill is recognised in the Statement of Profit and Loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

### 1.2.3 Current/non-current classification

The Group as required by Ind AS 1 presents assets and liabilities in the Balance Sheet based on current/non-current classification.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Group's normal operating cycle in respect of operations relating to the construction of real estate projects may vary from project to project depending upon the size of the project, type of development, project complexities and related approvals. Operating cycle for all completed projects and hospitality business is based on 12 months period. Assets and liabilities have been classified into current and non-current based on their respective operating cycle.

### 1.2.4 Foreign currencies

### (i) Initial recognition

Foreign currency transactions are recorded in the functional currency (Indian Rupee) by applying to the foreign currency amount, the exchange rate between the functional currency and the foreign currency on the date of the transaction.

### (ii) Conversion

All monetary items outstanding at year end denominated in foreign currency are converted into Indian Rupees at the reporting date exchange rate. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

### (iii) Exchange differences

The exchange differences arising on such conversion and on settlement of the transactions are recognised in the Statement of Profit and Loss.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.5 Property, plant and equipment (PPE)

### (i) Recognition and initial measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Cost comprises the purchase price and any attributable/allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition/construction/development of tangible assets, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to use.

When significant components of property, plant and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

### (ii) Subsequent measurement (depreciation and useful lives)

Depreciation is provided from the date the assets are ready to use, on straight line basis as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013.

| Building                               | 60 years |

| Building - Temporary structures        | 3 years  |
| Plant and machinery                    | 15 years |
| Furniture and fixtures                 | 10 years |
| Electrical installations and equipment | 10 years |
| Office equipment*                      | 5 years  |
| Computers                              | 3 years  |
| Vehicles                               | 8 years  |
| Aircraft                               | 20 years |

<sup>\*</sup>Mobile handsets - 3 years

Depreciation method, useful life and residual value are reviewed periodically.

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of PPE is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

### (iii) De-recognition

PPE are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.6 Intangible assets

### (i) Recognition and initial measurement

Intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Cost comprises the acquisition price, development cost and any attributable/allocable incidental cost of bringing the asset to its working condition for its intended use.

### (ii) Subsequent measurement (amortisation)

All intangible assets with definite useful life are amortised on a straight line basis over the estimated useful lives.

| Computer Software | Over the License period or 5 years |
|-------------------|------------------------------------|
|                   |                                    |

The carrying amount of intangible asset is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

Gain or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### 1.2.7 Investment properties

### (i) Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at cost, including transaction costs. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

### (ii) Subsequent measurement (depreciation and useful lives)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by registered valuer.

Investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any, subsequently. Depreciation is provided from the date the assets are ready to use, on straight line method as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013.

| Building                                | 60 years   |

| Building - Temporary structures         | 3 years  |
| Plant and machinery                     | 15 years   |
| Furniture and fixture                   | 10 years   |
| Electrical installations and equipment  | 10 years   |
| Office equipment*                       | 5 years  |
| Computers                               | 3 years  |
| Lessee specific assets and improvements | Over lease period or useful life as prescribed in Schedule<br>II, whichever is lower |

<sup>\*</sup>Mobile handsets - 3 years

For above classes of assets, based on internal assessment, the management believes that the useful lives as given above best represent the period over which management expects to use these assets.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of investment property is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When significant components of investment properties are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

### (iii) De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

### 1.2.8 Capital work in progress

Capital work in progress is stated at cost less impairment losses, if any. Cost comprises of expenditures incurred in respect of capital projects under development and includes any attributable/allocable cost and other incidental expenses. Revenues earned, if any, from such capital project before capitalisation are adjusted against the capital work in progress.

### 1.2.9 Revenue recognition

### (i) Revenue from contracts with customer

Revenue from contracts with customer is recognised, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Group is expected to be entitled in exchange for those goods or services. The Group assesses its revenue arrangements against specific criteria in order to determine if it is acting as principal or agent. The Group concluded that it is acting as a principal in all of its revenue arrangements. The specific recognition criteria described below must also be met before revenue is recognised.

### Revenue is recognised as follows:

### (a) Revenue from real estate projects

The Group recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Group is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Group's performance does not have an alternate use and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Group recognises revenue at the transaction price (net of transaction costs) which is determined on the basis of agreement or letter of allotment entered into with the customer. The Group recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Group recognises revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognises revenue in proportion to the actual project cost incurred (excluding land and finance cost) as against the total estimated project cost (excluding land and finance cost).

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

In a Joint development arrangement (JDA) wherein the land owner provides land and in lieu the Group transfers certain percentage of constructed area, the revenue is recognised over time using cost based input method of percentage of completion. Project costs include fair value of such land received and this fair value is accounted for on launch of the project.

The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in note 1.2.11 Financial instruments - initial recognition and subsequent measurement.

### (b) Revenue from hospitality

Revenue comprises sale of rooms, food and beverages and allied services relating to hotel operations. Revenue is recognised upon rendering of the service, provided pervasive evidence of an arrangement exists, tariff/rates are fixed or are determinable and collectability is reasonably certain. Revenue from sales of goods or rendering of services is net of indirect taxes, returns and discounts.

### (ii) Revenue from lease rentals and related income

Lease income is recognised in the Statement of Profit and Loss on straight line basis over the non-cancellable lease term, unless there is another systematic basis which is more representative of the time pattern of the lease. Revenue from lease rentals is disclosed net of indirect taxes, if any.

Revenue from property management service is recognised at value of service and is disclosed net of indirect taxes, if any.

### (iii) Finance income

Finance income is recognised as it accrues using the Effective Interest Rate (EIR) method. Finance income is included in other income in the Statement of Profit and Loss.

When calculating the EIR, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

### (iv) Dividend income

Revenue is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

### (v) Other income

Other incomes are accounted on accrual basis, except interest on delayed payment by debtors and liquidated damages which are accounted on acceptance of the Group's claim.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.10 Leases

The determination of whether a contract is (or contains) a lease arrangement is based on the substance of the contract at the inception of the arrangement. The contract is, or contains, a lease if the contract provide lessee, the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee does not have the right to use an identified asset if, at inception of the contract, a lessor has a substantive right to substitute the asset throughout the period of use.

The Group accounts for the lease arrangement as follows:

### (i) Where the Group entity is the lessee

The Group applies single recognition and measurement approach for all leases, except for short term leases and leases of low value assets. On the commencement of the lease, the Group, in its Balance Sheet, recognises the right of use asset at cost and lease liability at present value of the lease payments to be made over the non-cancellable lease term.

Subsequently, the right of use asset are measured at cost less accumulated depreciation and any accumulated impairment loss. Lease liability are measured at amortised cost using the effective interest method. The lease payment made, are apportioned between the finance charge and the reduction of lease liability, and are recognised as expense in the Statement of Profit and Loss.

Lease deposits given are a financial asset and are measured at amortised cost under Ind AS 109 since it satisfies Solely Payment of Principal and Interest (SPPI) condition. The difference between the present value and the nominal value of deposit is considered as prepaid rent and recognised over the non-cancellable lease term. Unwinding of discount is treated as finance income and recognised in the Statement of Profit and Loss.

### (ii) Where the Group entity is the lessor

The lessor needs to classify its leases as either an operating lease or a finance lease. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. The Group has only operating lease and accounts the same as follows:

Assets given under operating leases are included in investment properties. Lease income is recognised in the Statement of Profit and Loss on straight line basis over the non-cancellable lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the non-cancellable lease term on the same basis as rental income.

Lease deposits received are financial instruments (financial liability) and are measured at fair value on initial recognition. The difference between the fair value and the nominal value of deposits is considered as rent in advance and recognised over the non-cancellable lease term on a straight line basis. Unwinding of discount is treated as interest expense (finance cost) for deposits received and is accrued as per the EIR method.

### 1.2.11 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

EIR is the rate that exactly discounts the estimated future cash receipts or payments over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability.

### (i) Financial assets

### (a) Initial measurement

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value Trade receivables are initially recorded at transaction value.. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (b) Subsequent measurement

### Financial assets at amortised cost

Financial assets are measured at the amortised cost, if both of the following criteria are met:

- **a.** These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- **b.** Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

### ii. Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI if both of the following criteria are met:

- These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- **b.** Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Fair value movements are recognised in the Other Comprehensive Income (OCI). On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Statement of Profit and Loss.

### iii. Financial assets at fair value through profit or loss (FVTPL)

Any financial assets, which do not meet the criteria for categorisation as at amortised cost or as FVTOCI, are classified as FVTPL. Gain or losses are recognised in the Statement of Profit and Loss.

### iv. Equity instruments

Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination are classified as FVTPL, and measured at fair value with all changes recognised in the Statement of Profit and Loss.

### (c) De-recognition

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

### (d) Impairment of financial assets

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- i. Trade receivables; and
- ii. All lease receivables resulting from transactions within the scope of Ind AS 116.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Group reverts to recognising impairment loss allowance based on 12-month ECL

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

### (ii) Financial liabilities

### (a) Initial measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings and financial guarantee contracts.

### (b) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance cost in the Statement of Profit and Loss.

Intercompany loans not repayable on demand are discounted to its present value using incremental borrowing rate applicable to the borrower entity. The difference between the carrying value of the loan and its present value is accounted based on the relationship with the borrower for e.g. in case of subsidiary, the difference is shown as further equity infusion in the subsidiary. The unwinding of discount from the date of loan to the transition date is shown as an income and recognised in "Retained Earnings" of the Lender.

### (c) Financial guarantee contracts

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (d) De-recognition

A financial liability (or a part of a financial liability) is derecognised from the Group's financial statement when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### (e) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial statement if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### (iii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- **(b)** In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs:

- i. Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **ii.** Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- iii. Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 1.2.12 Cash and cash equivalents

Cash and cash equivalent in the financial statement comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above and short term liquid investments.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.13 Income taxes

### (i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be refunded from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in OCI or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### (ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- (a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- (b) In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred taxes are provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will be distributed in the foreseeable future.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss. Such deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Minimum Alternate Tax ('MAT') paid during the year is charged to the Statement of Profit and Loss as current tax for the year. MAT credit is recognised as deferred asset only when and to the extent there is convincing evidence that the entity will pay normal income tax during the specified period. In the year in which the Group recognises MAT credit as an asset in accordance with Ind AS 12, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "Deferred Tax". The Group reviews the MAT Credit asset at each reporting date and reduces to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the MAT to be utilised.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.14 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposals and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company Cash Generating Unit's (CGU) to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of 5 years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the 5th year.

Impairment losses are recognised in the Statement of Profit and Loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

### 1.2.15 Inventories

### (i) Construction materials and consumables

The construction materials and consumables are valued at lower of cost or net realisable value. The construction materials and consumables purchased for construction work issued to construction are treated as consumed.

### (ii) Construction work in progress

The construction work in progress is valued at lower of cost or net realisable value. Cost includes cost of land, development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

### (iii) Finished stock of completed projects

Finished stock of completed projects and stock in trade of units is valued at lower of cost or net realisable value.

### (iv) Food and beverages

Stock of food and beverages are valued at lower of cost (computed on a moving weighted average basis, net of taxes) or net realizable value. Cost includes all expenses incurred in bringing the goods to their present location and condition.

### (v) Hospitality related operating supplies

Hospitality related operating supplies are valued at lower of cost (computed on a moving weighted average basis, net of taxes) or net realizable value and are expensed as and when purchased.

### 1.2.16 Provisions and contingent liabilities

- (i) A provision is recognised when:
  - (a) The Group has a present obligation (legal or constructive) as a result of a past event;
  - **(b)** It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

- (c) A reliable estimate can be made of the amount of the obligation.
- (ii) If the effect of the time value of money is material, provisions are discounted using a current pre- tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (iii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognised because it cannot be measured reliably.
- (iv) Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

### 1.2.17 Borrowing costs

Borrowing costs that are directly attributable to the acquisition/construction of qualifying assets are capitalised as part of their costs.

Borrowing costs are considered as part of the asset cost when the activities that are necessary to prepare the assets for their intended use or sale are in progress.

Borrowing costs consist of interest and other costs that Group incurs in connection with the borrowing of funds. Other borrowing costs are recognised as an expense, in the period in which they are incurred.

Borrowing costs on real estate projects where revenue is recognised on percentage completion basis, the Group excludes such borrowing cost relating to the post-launch period from its estimates of the balance cost to completion, and the same is recognised as Finance cost in the Statement of Profit and Loss.

### 1.2.18 Segment reporting

Based on the "management approach" as defined in Ind AS 108 Operating Segments, the Chairman and Managing Director/Chief Financial Officer evaluates the Group's performance based on an analysis of various performance indicators by business segment. Segment revenue and expense include amounts which can be directly attributable to the segment and allocable on reasonable basis. Segment assets and liabilities are assets/liabilities which are directly attributable to the segment or can be allocated on a reasonable basis. Income/expenses/assets/liabilities relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated income/expenses/assets/liabilities.

### 1.2.19 Employee benefits

### (i) Defined contribution plans

Retirement benefits in the form of contribution to provident fund and pension fund are charged to the Statement of Profit and Loss.

### (ii) Defined benefit plans

Gratuity is in the nature of a defined benefit plan.

Provision for gratuity is calculated on the basis of actuarial valuations carried out at the reporting date and is charged to the Statement of Profit and Loss. The actuarial valuation is computed using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the financial statement with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

### (iii) Other employee benefits

Leave encashment is recognised as an expense in the Statement of Profit and Loss as and when they accrue. The Group determines the liability using the projected unit credit method, with actuarial valuations carried out as at the reporting date. Actuarial gains and losses are recognised in the Statement of Other Comprehensive Income.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.20 Earnings per share

Basic earnings per share is calculated by dividing the net profit/(loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit/(loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### 1.3 USE OF JUDGEMENTS AND ESTIMATES

The preparation of consolidated Ind AS financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

### 1.3.1 Significant management judgements

The following are significant management judgements in applying the accounting policies of the Group that have a significant effect on the financial statements:

### (i) Joint arrangements

The joint arrangements are separately incorporated. The Group has, after considering the structure and form of the arrangement, the terms agreed by the parties in the contractual arrangement and the Group's rights and obligations arising from the arrangement, classified its interests as joint ventures under Ind AS 111 Joint Arrangements. As a consequence it accounts for its investments using the equity method.

### (ii) Revenue recognition from sale of premises

Revenue is recognised only when the Group can measure its progress towards complete satisfaction of the performance obligation. The measurement of progress is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date (excluding land and finance cost) and the total estimated costs to complete (excluding land and finance cost).

### (iii) Classification of property

The Group determines whether a property is classified as investment property or as inventory:

- (a) Investment property comprises land and buildings that are not occupied for use by, or in the operations of, the Group, nor for sale in the ordinary course of business, but are held primarily to earn rental income or capital appreciation. These buildings are rented to tenants and are not intended to be sold in the ordinary course of business.
- (b) Inventory comprises property that is held for sale in the ordinary course of business. Principally these are properties that the Group develops and intends to sell before or on completion of construction.

### (iv) Operating lease contracts – the Group as lessor

The Group has entered into leases of its investment properties. The Group has determined based on an evaluation of the terms and conditions of the arrangements, that it retains all the significant risks and rewards of ownership of these properties and so accounts for the leases as operating leases.

### (v) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in tax jurisdictions.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.3.2 Estimates and assumptions

### (i) Classification of assets and liabilities into current and non-current

The management classifies the assets and liabilities into current and non-current categories based on the operating cycle of the respective business/projects.

### (ii) Impairment of assets

In assessing impairment, management estimates the recoverable amounts of each asset or CGU (in case of non-financial assets) based on expected future cash flows and uses an estimated interest rate to discount them. Estimation relates to assumptions about future cash flows and the determination of a suitable discount rate.

### (iii) Useful lives of depreciable/amortisable assets (Property, plant and equipment, intangible assets and investment property)

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected usage of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the usage of certain assets.

### (iv) Inventories

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory property is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Group based on net amount that it expects to realise from the sale of inventory in the ordinary course of business.

NRV in respect of inventories under construction is assessed with reference to market prices (reference to the recent selling prices) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management.

### (v) Defined benefit obligation (DBO)

The cost of defined benefit gratuity plan and the present value of the gratuity obligation along with leave salary are determined using actuarial valuations. An actuarial valuation involves making various assumptions such as standard rates of inflation, mortality, discount rate, attrition rates and anticipation of future salary increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### (vi) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument/assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

### 1.4 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group has evaluated the amendment and the impact of the amendment is insignificant on it's consolidated financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group has evaluated the amendment and there is no impact on its consolidated financial statements.

| Investment properties | Discounted cash flow technique- refer note below |                                    |   |

Under the DCF method, forecast cash flows are discounted back to the present date, generating a net present value for the cash flow stream of the business.

A terminal value at the end of the explicit forecast period is determined and that value is also discounted back to the Valuation Date to give an overall value for the business.

- (i) A Discounted cash flow methodology typically requires the forecast period to be of such a length to enable the business to achieve a stabilised level of earnings, or to be reflective of an entire operation cycle for more cyclical industries.
- (ii) The rate at which the future cash flows are discounted ("the discount rate") should reflect not only the time value of money, but also the risk associated with the business future operations. The discount rate most generally employed is Weighted Average Cost of Capital ("WACC"), reflecting an optimal as opposed to actual financing structure.
- (iii) In calculating the terminal value, regard must be had to the business potential for further growth beyond the explicit forecast period. The "Constant Growth Model", which applies an expected constant level of growth to the cash flow forecast in the last year of the forecast period and assumes such growth is achieved in perpetuity, is a common method. These results would be cross-checked, however, for reasonability to implied exit multiples.

Generally, a change in the assumption made for the estimated rental value is accompanied by:

- (a) A directionally similar change in the rent growth per annum and discount rate (and exit yield).
- **(b)** An opposite change in the long term vacancy rate.

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. The sensitivity analyses are based on a change in a significant assumption, keeping all other assumptions constant. The sensitivity analyses may not be representative of an actual change in the defined benefit obligation as it is unlikely that changes in assumptions would occur in isolation from one another.

The average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (11 years).

### 35.8 Risk exposure

### (i) Asset Volatility:

The plan liabilities are calculated using the discount rate set with reference to Government securities bond yields; if plan assets underperform this yield, this will create a deficit.

### (ii) Change in Government securities bond yields:

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans bond holdings.

**35.9** The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

(i) The Group is subject to legal proceedings and claims, which have arisen in the ordinary course of business, the impact of which is not quantifiable. These cases are pending with various courts. After considering the circumstances and legal advice received, management believes that these cases will not adversely affect its financial statements.

| (ii)     | Direct tax matters in dispute   | 1,016.28       | 962.23         |

- (iii) The applications filed by the Company and certain of its Group companies under Section 245C of the Income tax Act in earlier years, have been concluded in April 2023 and accordingly the group has made additional provision of ₹ 988.92 lakh towards tax and interest thereon in the financial statements.
- (iv) The sales tax department of the government of Maharashtra has completed the Value Added Tax (VAT) assessments w.r.t. the returns filed by the Group on the sale of flats to the customers during the period beginning from June 2006 till March 2012 and determined the VAT and interest liability. For some of the years, the Group has challenged the assessment order and opted for appeal, which is pending for hearing. Vide an order of the Hon'ble Supreme Court of India, the recovery of interest amounts in such cases has been stayed. However, the Group has opted to settle and pay interest for some of the years under The Maharashtra Settlement of Arrears in Disputes Act, 2016. Part of the amount has been collected by the Group from the flat purchasers on account of such liability and the Group is reasonably confident of recovering all the outstanding amount on account of VAT from flat purchasers.

The management assessed that carrying amount of cash and cash equivalents, other bank balance, trade receivables, loans, investment in government securities, investment in preference shares, investment in optionally convertible debentures, secured borrowings, trade payable and other financial liabilities approximate their fair values largely due to the short term maturities of these instruments.

### 41.3 Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the year.

### 41.4 Financial risk management

The Group has exposure to the following risks arising from financial instruments:

- (i) Credit risk;
- (ii) Liquidity risk; and
- (iii) Market risk

### Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports regularly to the Board of Directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

### (i) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investments in debt securities.

### NOTE 41. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

### 41.4 Financial risk management

The carrying amount of the financial assets which represents the maximum credit exposure is as follows:

### (a) Trade and other receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, credit risk with regards to trade receivable is almost negligible in case of its residential sale and lease rental business. The same is due to the fact that in case of its residential sell business it does not handover possession till entire outstanding is received. Similarly in case of rental business, the Group keep 3 to 12 months rental as deposit from the occupants.

No impairment is observed on the carrying value of trade receivable.

### (b) Investment in debt securities

The Group has investment only in redeemable optionally convertible debentures and the settlement of such instruments is linked to the completion of the respective underlying projects. No impairment has been recognised on such investments till date

### (c) Cash and cash equivalents

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Investment Committee comprising of Mr. Venkatesh Mysore (Chairperson, Independent Director), Mr. T. P. Ostwal (Independent Director) and Mr. Vikas Oberoi (Non-Independent Director) on an annual basis, and may be updated throughout the year subject to approval of the Company's Investment Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

### (ii) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

The Group assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Group has access to a sufficient variety of sources of funding.

### **Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

### (iii) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Group's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Group is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of certain commodities. Thus, its exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure in revenues and costs.

### Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Group's exposure to the risk of changes in foreign exchange rates relates primarily to the Group's operating activities (when expense is denominated in a foreign currency), currency exposure open based on the above.

The Group closely tracks and observes the movement of foreign currency with regards to INR and also forward cover rate. The Group decides to cover or keep the foreign currency exposure open based on the above.

### (b) Exposure to currency risk

The currency profile of financial assets and financial liabilities is as follows:

### (c) Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against the above foreign currencies at March 31 would have affected the measurement of financial instruments denominated in these foreign currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

### (d) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

### (e) Exposure to interest rate risk

The Group's interest rate risk arises from borrowings. Borrowings issued at fixed rates exposes to fair value interest rate risk. The interest rate profile of the Group's interest bearing financial instruments as reported to the management of the Group is as follows:

(₹ in Lakh)

| Particulars               | March 31, 2023 March 31, 2022 |
|---------------------------|-------------------------------|
| Fixed-rate instruments    |                               |

| Borrowings                | 2,92,883.36 1,84,241.56       |
|                           | 3,94,408.60 2,85,546.53       |

### i. Fair value sensitivity analysis for fixed-rate instruments

The Group does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

### ii. Fair value sensitivity analysis for floating-rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, is as follows:

(₹ in Lakh)

| Effect         | Increase/<br>decrease in<br>basis points | Effect on profit<br>before tax |

| INR - Decrease | 25                                       | 156.57                         |

### (f) Commodity price risk

The Group's activities are exposed to steel and cement price risks and therefore its overall risk management program focuses on the volatile nature of the steel and cement market, thus seeking to minimize potential adverse effects on the Group's financial performance on account of such volatility.

The risk management committee regularly reviews and monitors risk management principles, policies, and risk management activities.

### 41.5 Capital management

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital. The Group includes within net debt, interest and non interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations.

The Group's adjusted net debt to adjusted equity ratio is as follows:

| Particulars   | March 31, 2023 | March 31, 2022 |
|---|----------------|----------------|
| Borrowings (including current maturities of borrowings)               | 3,94,408.59    | 2,85,546.53    |

### To the Members of Oberoi Realty Limited

### Report on the Audit of the Standalone Financial Statements

### **Opinion**

We have audited the accompanying standalone financial statements of Oberoi Realty Limited ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

### **Key audit matters**

### How our audit addressed the key audit matter

### Ind AS 115 - Revenue from Contract with Customers (as described in note 1.2.8 and 43 of the standalone financial statements)

Revenue from real-estate contracts is recognised over a period of time in accordance with the requirements of Ind AS 115 using the percentage of completion method. This determination is based on the proportion that contract costs actually incurred, bear to the estimated total contract costs, and requires significant judgements, including estimate of balance costs to complete, identification of contractual obligations, the Company's rights to receive payments for performance completed till date, changes in scope and consequential revised contract price.

Revenue recognition is significant to the standalone financial statements based on the quantitative materiality. The application of percentage of completion method involves significant judgements as explained above. Accordingly, we regard these as key audit matter.

Our audit procedures included, among others:

- We read the accounting policy for revenue recognition of the Company and assessed compliance with the requirements of Ind AS 115.
- We assessed the management evaluation of recognising revenue from real estate contracts over a period of time in accordance with the requirements under Ind AS 115.
- We tested controls over revenue recognition with specific focus on determination of percentage of completion, recording of costs incurred and estimation of costs to complete the remaining contract obligations.
- We inspected a sample of underlying customer contracts, performed retrospective assessment of costs incurred with estimated costs to identify significant variations and assess whether those variations have been considered in estimating the remaining costs-to-complete and consequential determination of stage of completion.
- We tested controls and management processes pertaining to recognition of revenue over a period of time in case of real estate projects.
- We performed test of details, on a sample basis, and inspected the underlying customer contracts/agreements evidencing the transfer of control of the asset to the customer based on which revenue is recognised over a period of time.
- We assessed the disclosures included in standalone financial statements, as specified in Ind AS 115.

### Assessing the carrying value of Inventory (as described in note 1.2.14 and 11 of the standalone financial statements) and advances paid towards land procurement (as described in note 10 and 46 of the standalone financial statements)

As at March 31, 2023, the carrying value of the inventory of ongoing and completed real-estate projects is ₹ 6,57,518.71 lakh. The inventories are held at the lower of the cost and net realisable value ("NRV").

The determination of NRV involves estimates based on prevailing market conditions and taking into account the stage of completion of the inventory, the estimated future selling price, cost to complete projects and selling costs.

Advances paid by the Company for acquisition of land or Transferable Development Rights ('TDR'), is recognized as advances to vendors under other assets.

With respect to these advances, the net recoverable value is based on the management's estimates and internal documentation, which include, among other things, the likelihood when the land acquisition would be completed, the expected date of plan approvals for commencement of project and the estimation of sale prices and construction costs.

We identified the assessment of the carrying value of inventory and land advances as a key audit matter due to the significance of the balance to the standalone financial statements as a whole and the involvement of estimates and judgement in the assessment.

Our audit procedures included, among others:

- We evaluated the design and operation of internal controls related to testing recoverable amounts with carrying amount of inventory and advances, including evaluating management processes for estimating future costs to complete projects.
- As regards NRV, for a sample of selected projects, compared costs incurred and estimates of future cost to complete the project with costs of similar projects and compared NRV to recent sales or to the estimated selling price applied in assessing the NRV.
- For advances for acquisition of land or TDR, as part of our audit procedures:
  - We read the documentation relating to the advances paid and obtained from management the status of the advances.
  - We obtained and assessed management's assumptions relating to proposed projects, estimated time-frame, and forecast sales.
  - We circularized requests for balance confirmations and examined responses.

### **Key audit matters**

### How our audit addressed the key audit matter

### Investment in subsidiaries and joint ventures and loans to group entities (as described in note 7 and 16 to the standalone financial statements)

As at the balance sheet date, the carrying amount of investment in subsidiaries and joint ventures held at cost represent 3.76% of Company's total assets, and as of that date the loan to the subsidiaries and joint ventures represent 20.07% of the Company's total assets.

Recoverability of investment (including loans) in subsidiaries and joint ventures:

The Company's investment in subsidiaries and joint venture are carried at cost. The investments are assessed for impairment at each reporting date. The impairment assessment involves use of estimates and judgements. The identification of impairment events and determination of impairment charge also require significant judgements by the Company. The judgement in particulars is with the respect of timing, quantity and estimation of projected cash flow of the real estate projects in these underlying entities.

In view of the significance of these investments and above, we consider valuation/impairment of investment in subsidiaries and joint ventures to be key audit matter.

Our audit procedure included, among others:

- We evaluated design and implementation and tested operating effectiveness of control over the Company's process of impairment assessment and approvals of forecast.
- We assessed the financial position of the subsidiaries and joint ventures to identify excess of their net assets over the carrying amount of investment by the Company and assessed the profit history of those subsidiaries and joint ventures where applicable.
- For the investment where carrying amount exceeded the net asset value, obtained understanding from the Company the basis and assumptions used for the projected profitability.
- We verified the input used in the projected profitability.
- We tested the assumptions and obtained understanding of the forecasted cash flows of subsidiaries and joint ventures based on our knowledge of the companies and the market in which they operate.
- We assessed the comparability of the forecast with historical information.
- We analysed the possible indicator of impairment and obtained understanding of the Company's assessment of those indicators.
- We assessed the disclosures in respect of the investment in subsidiaries and joint ventures.

### Tax litigations and exposures (as described in note 1.2.15 and 40.4 to the standalone financial statements)

The Company has various tax litigations/matters that are pending before tax authorities. The Company assesses such litigations/matters on a periodic basis and a provision or disclosure is made based on such assessment.

For the tax litigations/matters referred to in note 40.4, including the conclusion of the matter relating to the application under section 245C of the Income Tax Act 1961 referred to in note 40.4(iii) thereof, significant management judgement is required in assessing the exposure due to the inherent uncertainties as to likely outcome, and due to the nature and timeframe involved, taxation exposures are identified as a key audit matter

Our audit procedures included, among others:

- We obtained an understanding of the Company's process to identify claims, litigations and contingencies and the key controls implemented. For select controls, evaluated their design and tested their operating effectiveness.
- We obtained a list of tax litigations/matters from the Company and performed inquiries with the management, as to their likely outcome, financial impact and repetitiveness and obtained management representation thereon.
- We examined evidences to corroborate management's assessment
  of the risk profile in respect of these matters including reading the
  Company's submissions to relevant authorities and orders received
  in this regard.
- In relation to the material tax litigations/matters, we involved our tax specialists, as appropriate, to perform an independent assessment of the conclusions reached by management.
- We evaluated management's assumptions, estimates and judgements used in the calculations of such provisions.
- We read the disclosures in the standalone financial statements to assess if they reflect the key facts and circumstances of the underlying tax exposures

### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- **2.** As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that, the back-up of books of account was not taken on a daily basis, or was not kept on servers physically located in India as stated in Note 47 to the standalone financial statements;

### ANNEXURE 1 REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT OF EVEN DATE

Re: Oberoi Realty Limited ('the Company)

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
  - (a) (B) The Company has maintained proper records showing full particulars of Intangible Assets
  - **(b)** Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were identified on such verification.
  - (c) The title deeds of immovable properties disclosed in note 2 and 4 to the financial statements included in Property, Plant and Equipment and Investment Properties are held in the name of the Company.
  - (d) The Company has not revalued its Property, Plant and Equipment or Intangible Assets during the year ended March 31, 2023.
  - (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification.
  - (b) As disclosed in note 20 to the financial statements, the Company has been sanctioned working capital limits in excess of ₹ five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the books of accounts of the Company.
- (iii) (a) During the year the Company has provided loans to companies, Limited Liability Partnerships or other parties as follows:

(₹ in Lakh)

| Particulars  | Loans       |
|--|-------------|
| Aggregate amount granted/provided during the year                      | 56,641.49   |
| - Subsidiaries   | 54,488.49   |
| - Joint Ventures   | 2,153.00    |
| - Associates   | -           |
| - Others   | -           |
| Balance outstanding as at balance sheet date in respect of above cases |             |
| - Subsidiaries   | 2,20,658.82 |
| - Joint Ventures   | 51,360.43   |
| - Associates   | -           |
| - Others   | -           |

- (b) During the year the investments made and the terms and conditions of the grant of all loans to companies, Limited Liability Partnerships or any other parties are not prejudicial to the Company's interest.
- In respect of loans granted to companies, the schedule of repayment of principal has not been stipulated in the agreement since they are interest free and repayable on demand. In respect of a loan granted to a Limited Liability Partnership, the schedule of repayment of principal and payment of interest has not been stipulated in the agreement since it is repayable on demand. Hence, we are unable to make a specific comment on the regularity of repayment of principal and payment of interest.
- (d) There are no amounts of loans and advances in the nature of loans granted to companies, Limited Liability Partnerships or any other parties which are overdue for more than ninety days.

- (e) There were no loans granted to companies, Limited Liability Partnerships or any other parties which had fallen due during the year.
- (f) As disclosed in note 16 to the financial statements, the Company has granted loans, either repayable on demand or without specifying any terms or period of repayment to companies and Limited Liability Partnerships. Of these following are the details of the aggregate amount of loans granted to promoters or related parties as defined in clause (76) of section 2 of the Companies Act, 2013:

(₹ in Lakh)

| Particulars  | All Parties | <b>Promoters</b> | <b>Related Parties</b> |
|--|-------------|------------------|------------------------|
| Aggregate amount of loans  |             |                  |                        |
| - Repayable on demand  | 2,72,019.25 | -                | 2,72,019.25            |
| - without specifying terms of repayment                            | -           | -                | -                      |
| Percentage of loans/advances in nature of loans to the total loans | 100%        | 0%               | 100%                   |

- (iv) Loans, investments, guarantees and security in respect of which provisions of sections 185 and 186 of the Companies Act, 2013 are applicable have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture or service of construction activities, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, property tax, duty of custom, duty of excise, value added tax, cess and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. According to the information and explanations given to us and audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
  - **(b)** The dues of goods and service tax, income-tax, service tax, customs duty, value added tax and property tax not been deposited on account of any dispute, are as follows:

| Name of the Statute                             | Nature of dues                              | Amount<br>(₹ in Lakh) |                                | Forum where dispute is pending   |

- (viii) As stated in note 40.4(iii) to the financial statements, an order was passed in April, 2023 in connection with the application filed by the Company under Section 245C of the Income-tax Act, 1961 and consequently, during the year the Company has provided for additional tax and interest without recording corresponding income in the books of accounts.
- (ix) (a) Loans amounting to ₹ 1,67,675.83 lakh are repayable on demand and terms and conditions for payment of interest thereon have not been stipulated. Such loans and interest thereon have not been demanded for repayment during the relevant financial year. The Company has not defaulted in repayment of other borrowings or payment of interest thereon to any lender.
  - **(b)** The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (c) Term loans were applied for the purpose for which the loans were obtained.
  - (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
  - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
  - (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer/further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
  - **(b)** The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
  - **(b)** During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/secretarial auditor or by us in Form ADT 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
  - (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii) of the Order is not applicable to the Company.

- (xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

### ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF OBEROI REALTY LIMITED

Re: Oberoi Realty Limited ("the Company")

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Oberoi Realty Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

### Meaning of Internal Financial Controls with reference to these Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES

### 1.1 NATURE OF OPERATIONS

Oberoi Realty Limited (the 'Company' or 'ORL'), a public limited company is incorporated in India under provisions of the Companies Act applicable in India. The Company is engaged primarily in the business of real estate development and hospitality.

The Company is headquartered in Mumbai, India. The shares of the Company are listed on the Bombay Stock Exchange Limited and National Stock Exchange of India Limited. Its registered office is situated at Commerz, 3<sup>rd</sup> Floor, International Business Park, Oberoi Garden City, Off Western Express Highway, Goregaon (East), Mumbai-400 063 (CIN: L45200MH1998PLC114818).

The standalone Ind AS financial statements for the year ended March 31, 2023 were authorised and approved for issue by the Board of Directors on May 16, 2023.

### 1.2 SIGNIFICANT ACCOUNTING POLICIES

### 1.2.1 Basis of preparation

The standalone Ind AS financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013.

The standalone Ind AS financial statements have been prepared on a historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The standalone Ind AS financial statements are presented in Indian Rupee ("INR") and all values are presented in INR Lakh and rounded off to the extent of 2 decimals, except when otherwise indicated.

### 1.2.2 Current/non-current classification

The Company as required by Ind AS 1 presents assets and liabilities in the Balance Sheet based on current/non-current classification.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Company's normal operating cycle in respect of operations relating to the construction of real estate projects may vary from project to project depending upon the size of the project, type of development, project complexities and related approvals. Operating cycle for all completed projects and hospitality business is based on 12 months period. Assets and liabilities have been classified into current and non-current based on their respective operating cycle.

### 1.2.3 Foreign currencies

### (i) Initial recognition

Foreign currency transactions are recorded in the functional currency (Indian Rupee) by applying to the foreign currency amount, the exchange rate between the functional currency and the foreign currency on the date of the transaction.

### (ii) Conversion

All monetary items outstanding at year end denominated in foreign currency are converted into Indian Rupees at the reporting date exchange rate. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

### (iii) Exchange differences

The exchange differences arising on such conversion and on settlement of the transactions are recognised in the Statement of Profit and Loss.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### 1.2.4 Property, plant and equipment (PPE)

### (i) Recognition and initial measurement

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any.

Cost comprises the purchase price and any attributable/allocable cost of bringing the asset to its working condition for its intended use. The cost also includes direct cost and other related incidental expenses. Revenue earned, if any, during trial run of assets is adjusted against cost of the assets. Cost also includes the cost of replacing part of the plant and equipment.

Borrowing costs relating to acquisition/construction/development of tangible assets, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to use.

When significant components of property and equipment are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

### (ii) Subsequent measurement (depreciation and useful lives)

Depreciation is provided from the date the assets are ready to use, on straight line basis as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013.

| Building                               | 60 years |
|--|----------|
| Building - Temporary structures        | 3 years  |
| Plant and machinery                    | 15 years |
| Furniture and fixture                  | 10 years |
| Electrical installations and equipment | 10 years |
| Office equipment*                      | 5 years  |
| Computers                              | 3 years  |
| Vehicles                               | 8 years  |

<sup>\*</sup>Mobile handsets - 3 years

Depreciation method, useful life and residual value are reviewed periodically.

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of PPE is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

### (iii) De-recognition

PPE are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

### 1.2.5 Intangible assets

### (i) Recognition and initial measurement

Intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Cost comprises the acquisition price, development cost and any attributable/allocable incidental cost of bringing the asset to its working condition for its intended use.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (ii) Subsequent measurement (amortisation)

All intangible assets with definite useful life are amortized on a straight line basis over the estimated useful lives.

| Computer Software | Over license period or 5 years |
|-------------------|--------------------------------|
|-------------------|--------------------------------|

The carrying amount of intangible asset is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

Gain or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### 1.2.6 Investment properties

### (i) Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at cost, including transaction costs. The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

### (ii) Subsequent measurement (depreciation and useful lives)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer who holds a recognised and relevant professional qualification and has experience in the category of the investment property being valued.

Investment Properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any, subsequently. Depreciation is provided from the date the assets are ready to use, on straight line method as per the useful life of the assets as prescribed under Part C of Schedule II of the Companies Act, 2013.

| Building                                | 60 years   |

| Computers                               | 3 years  |
| Lessee specific assets and improvements | Over lease period or useful life as prescribed in Schedule<br>II, whichever is lower |

<sup>\*</sup>Mobile handsets - 3 years

For above classes of assets, based on internal assessment, the management believes that the useful lives as given above best represent the period over which management expects to use these assets.

Leasehold land and improvements are amortised on the basis of duration and other terms of lease.

The carrying amount of investment properties is reviewed periodically for impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

When significant components of investment properties are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

### (iii) De-recognition

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the Statement of Profit and Loss in the period of de-recognition.

### 1.2.7 Capital work in progress

Capital work in progress is stated at cost less impairment losses, if any. Cost comprises of expenditures incurred in respect of capital projects under development and includes any attributable/allocable cost and other incidental expenses. Revenues earned, if any, from such capital project before capitalisation are adjusted against the capital work in progress.

### 1.2.8 Revenue recognition

### (i) Revenue from contracts with customer

Revenue from contracts with customer is recognised, when control of the goods or services are transferred to the customer, at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. The Company assesses its revenue arrangements against specific criteria in order to determine if it is acting as principal or agent. The Company concluded that it is acting as a principal in all of its revenue arrangements. The specific recognition criteria described below must also be met before revenue is recognised.

### Revenue is recognised as follows:

### (a) Revenue from real estate projects

The Company recognises revenue, on execution of agreement or letter of allotment and when control of the goods or services are transferred to the customer, at an amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). An asset created by the Company's performance does not have an alternate use and as per the terms of the contract, the Company has an enforceable right to payment for performance completed till date. Hence the Company transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Company recognises revenue at the transaction price (net of transaction costs) which is determined on the basis of agreement or letter of allotment entered into with the customer. The Company recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Company would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Company recognises revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred (excluding land and finance cost) as against the total estimated project cost (excluding land and finance cost).

In a Joint development arrangement (JDA) wherein the land owner provides land and in lieu the Company transfers certain percentage of constructed area, the revenue is recognised over time using cost based input method of percentage of completion. Project costs include fair value of such land received and this fair value is accounted for on launch of the project.

The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

prospectively in the period in which such changes are determined.

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in note 1.2.10 Financial instruments - initial recognition and subsequent measurement.

### (b) Revenue from hospitality business

Revenue comprises sale of rooms, food and beverages and allied services relating to hotel operations. Revenue is recognised upon rendering of the service, provided pervasive evidence of an arrangement exists, tariff/rates are fixed or are determinable and collectability is reasonably certain. Revenue from sales of goods or rendering of services is net of indirect taxes, returns and discounts.

### (ii) Revenue from lease rentals and related income

Lease income is recognised in the Statement of Profit and Loss on straight line basis over the non-cancellable lease term, unless there is another systematic basis which is more representative of the time pattern of the lease. Revenue from lease rentals is disclosed net of indirect taxes, if any.

Revenue from property management service is recognised at value of service and is disclosed net of indirect taxes, if any.

### (iii) Finance income

Finance income is recognised as it accrues using the Effective Interest Rate (EIR) method. Finance income is included in other income in the Statement of Profit and Loss.

When calculating the EIR, the Company estimates the expected cash flow by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

### (iv) Dividend income

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

### (v) Other income

Other incomes are accounted on accrual basis, except interest on delayed payment by debtors and liquidated damages which are accounted on acceptance of the Company's claim.

### 1.2.9 Leases

The determination of whether a contract is (or contains) a lease arrangement is based on the substance of the contract at the inception of the arrangement. The contract is, or contains, a lease if the contract provide lessee, the right to control the use of an identified asset for a period of time in exchange for consideration. A lessee does not have the right to use an identified asset if, at inception of the contract, a lessor has a substantive right to substitute the asset throughout the period of use.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

The Company accounts for the lease arrangement as follows:

### (i) Where the Company is the lessee

The Company applies single recognition and measurement approach for all leases, except for short term leases and leases of low value assets. On the commencement of the lease, the Company, in its Balance Sheet, recognises the right of use asset at cost and lease liability at present value of the non-cancellable lease payments to be made over the lease term.

Subsequently, the right of use asset are measured at cost less accumulated depreciation and any accumulated impairment loss. Lease liability are measured at amortised cost using the effective interest method. The lease payment made, are apportioned between the finance charge and the reduction of lease liability, and are recognised as expense in the Statement of Profit and Loss.

Lease deposits given are a financial asset and are measured at amortised cost under Ind AS 109 since it satisfies Solely Payment of Principal and Interest (SPPI) condition. The difference between the present value and the nominal value of deposit is considered as prepaid rent and recognised over the non-cancellable lease term. Unwinding of discount is treated as finance income and recognised in the Statement of Profit and Loss.

### (ii) Where the Company is the lessor

The lessor needs to classify its leases as either an operating lease or a finance lease. Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. The Company has only operating lease and accounts the same as follows:

Assets given under operating leases are included in investment properties. Lease income is recognised in the Statement of Profit and Loss on straight line basis over the non-cancellable lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the non-cancellable lease term on the same basis as rental income.

Lease deposits received are financial instruments (financial liability) and are measured at fair value on initial recognition. The difference between the fair value and the nominal value of deposits is considered as rent in advance and recognised over the non-cancellable lease term on a straight line basis. Unwinding of discount is treated as interest expense (finance cost) for deposits received and is accrued as per the EIR method.

### 1.2.10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

EIR is the rate that exactly discounts the estimated future cash receipts or payments over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability.

### (i) Financial assets

### (a) Initial measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially measured at fair value Trade receivables are initially recorded at transaction value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

### (b) Subsequent measurement

### i. Financial assets at amortised cost

Financial assets are measured at the amortised cost, if both of the following criteria are met:

**a.** These assets are held within a business model whose objective is to hold assets for collecting contractual cash flows; and

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

**b.** Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the EIR method. The EIR amortisation is included in other income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

### ii. Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are classified as FVTOCI if both of the following criteria are met:

- These assets are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets; and
- **b.** Contractual terms of the asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

Fair value movements are recognised in the Other Comprehensive Income (OCI). On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to the Statement of Profit and Loss.

### iii. Financial assets at fair value through profit or loss (FVTPL)

Any financial assets, which do not meet the criteria for categorisation as at amortised cost or as FVTOCI, are classified as FVTPL. Gain or losses are recognised in the Statement of Profit and Loss.

### iv. Equity instruments

Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination are classified as FVTPL, and measured at fair value with all changes recognised in the Statement of Profit and Loss.

### (c) De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

### (d) Impairment of financial assets

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- i. Trade receivables; and
- ii. All lease receivables resulting from transactions within the scope of Ind AS 116.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss (ECL) at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

recognition, then the Company reverts to recognising impairment loss allowance based on 12-month FCI

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

### (ii) Financial liabilities

### (a) Initial measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings and financial guarantee contracts.

### (b) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance cost in the Statement of Profit and Loss.

Intercompany loans not repayable on demand are discounted to its present value using incremental borrowing rate applicable to the borrower entity. The difference between the carrying value of the loan and its present value is accounted based on the relationship with the borrower for e.g. in case of subsidiary, the difference is shown as further equity infusion in the subsidiary. The unwinding of discount from the date of loan to the transition date is shown as an income and recognised in "Retained Earnings" of the Lender.

### (c) Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

### (d) De-recognition

A financial liability (or a part of a financial liability) is derecognised from the Company's financial statement when the obligation specified in the contract is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (e) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the financial statement if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### (iii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (a) In the principal market for the asset or liability, or
- **(b)** In the absence of a principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs:

- i. Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **ii.** Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **iii.** Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 1.2.11 Cash and cash equivalents

Cash and cash equivalent in the financial statement comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above and short term liquid investments.

### 1.2.12 Income taxes

### (i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be refunded from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss (either in Other Comprehensive Income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### (ii) Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- (a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- (b) In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax relating to items recognised outside the Statement of Profit and Loss is recognised outside the Statement of Profit and Loss. Such deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income or directly in equity.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

Minimum Alternate Tax ('MAT') paid during the year is charged to the Statement of Profit and Loss as current tax for the year. MAT credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Company recognises MAT credit as an asset in accordance with Ind AS 12, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "Deferred Tax". The Company reviews the MAT Credit asset at each reporting date and reduces to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the MAT to be utilised.

### 1.2.13 Impairment of non-financial assets

The carrying amounts of assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's fair value less cost of disposals and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Fair value is the price that would be received to sell an asset or paid to transfer a liability in orderly transaction between market participants at the measurement date. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company Cash Generating Unit's (CGU) to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of 5 years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the  $5^{th}$  year.

Impairment losses are recognised in the Statement of Profit and Loss.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years.

### 1.2.14 Inventories

### (i) Construction materials and consumables

The construction materials and consumables are valued at lower of cost or net realisable value. The construction materials and consumables purchased for construction work issued to construction are treated as consumed.

### (ii) Construction work in progress

The construction work in progress is valued at lower of cost or net realisable value. Cost includes cost of land, development rights, rates and taxes, construction costs, borrowing costs, other direct expenditure, allocated overheads and other incidental expenses.

### (iii) Finished stock of completed projects

Finished stock of completed projects and stock in trade of units is valued at lower of cost or net realisable value.

### (iv) Food and beverages

Stock of food and beverages are valued at lower of cost (computed on a moving weighted average basis, net of taxes) or net realisable value. Cost includes all expenses incurred in bringing the goods to their present location and condition.

### (v) Hospitality related operating supplies

Hospitality related operating supplies are valued at lower of cost (computed on a moving weighted average basis, net of taxes) or net realizable value and are expensed as and when purchased.

### 1.2.15 Provisions and contingent liabilities

- (i) A provision is recognised when:
  - (a) The Company has a present obligation (legal or constructive) as a result of a past event;
  - **(b)** It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
  - (c) A reliable estimate can be made of the amount of the obligation.
- (ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (iii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognised because it cannot be measured reliably.
- (iv) Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

### 1.2.16 Borrowing costs

Borrowing costs that are directly attributable to the acquisition/construction of qualifying assets are capitalised as part of their costs.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

Borrowing costs are considered as part of the asset cost when the activities that are necessary to prepare the assets for their intended use or sale are in progress.

Borrowing costs consist of interest and other costs that Company incurs in connection with the borrowing of funds. Other borrowing costs are recognised as an expense, in the period in which they are incurred.

Borrowing costs on real-estate projects where revenue is recognised on percentage of completion basis, the company excludes such borrowing costs relating to the post-launch period from its estimates of the balance cost to completion, and the same is recognised as finance cost in the Statement of Profit and Loss.

### 1.2.17 Segment reporting

Based on the "management approach" as defined in Ind AS 108 Operating Segments, the Chairman and Managing Director/Chief Financial Officer evaluates the Company's performance based on an analysis of various performance indicators by business segment. Segment revenue and expense include amounts which can be directly attributable to the segment and allocable on reasonable basis. Segment assets and liabilities are assets/liabilities which are directly attributable to the segment or can be allocated on a reasonable basis. Income/expenses/assets/liabilities relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated income/expenses/assets/liabilities.

### 1.2.18 Employee benefits

### (i) Defined contribution plans

Retirement benefits in the form of contribution to provident fund and pension fund are charged to the Statement of Profit and Loss.

### (ii) Defined benefit plans

Gratuity is in the nature of a defined benefit plan.

Provision for gratuity is calculated on the basis of actuarial valuations carried out at the reporting date and is charged to the Statement of Profit and Loss. The actuarial valuation is computed using the projected unit credit method.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the financial statement with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods.

### (iii) Other employee benefits

Leave encashment is recognised as an expense in the Statement of Profit and Loss as and when they accrue. The Company determines the liability using the projected unit credit method, with actuarial valuations carried out as at the reporting date. Actuarial gains and losses are recognised in the Statement of Other Comprehensive Income.

### 1.2.19 Earnings per share

Basic earnings per share is calculated by dividing the net profit/(loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit/(loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### 1.3 USE OF JUDGEMENTS AND ESTIMATES

The preparation of standalone Ind AS financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

Estimates and underlying assumptions are reviewed at each reporting date. Any revision to accounting estimates and assumptions are recognised prospectively i.e. recognised in the period in which the estimate is revised and future periods affected.

### 1.3.1 Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have a significant effect on the financial statements:

### (i) Revenue recognition from sale of premises

Revenue is recognised only when the Company can measure its progress towards complete satisfaction of the performance obligation. The measurement of progress is estimated by reference to the stage of the projects determined based on the proportion of costs incurred to date (excluding land and finance cost) and the total estimated costs to complete (excluding land and finance cost).

### (ii) Classification of property

The Company determines whether a property is classified as investment property or as inventory:

- (a) Investment property comprises land and buildings that are not occupied for use by, or in the operations of, the Company, nor for sale in the ordinary course of business, but are held primarily to earn rental income and capital appreciation. These buildings are rented to tenants and are not intended to be sold in the ordinary course of business.
- (b) Inventory comprises property that is held for sale in the ordinary course of business. Principally these are properties that the Company develops and intends to sell before or on completion of construction.

### (iii) Operating lease contracts – the Company as lessor

The Company has entered into leases of its investment properties. The Company has determined based on an evaluation of the terms and conditions of the arrangements, that it retains all the significant risks and rewards of ownership of these properties and so accounts for the leases as operating leases.

### (iv) Recognition of deferred tax assets

The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in tax jurisdictions.

### 1.3.2 Estimates and assumptions

### (i) Classification of assets and liabilities into current and non-current

The management classifies the assets and liabilities into current and non-current categories based on the operating cycle of the respective business/projects.

### (ii) Impairment of assets

In assessing impairment, management estimates the recoverable amounts of each asset or CGU (in case of non-financial assets) based on expected future cash flows and uses an estimated interest rate to discount them. Estimation relates to assumptions about future cash flows and the determination of a suitable discount rate.

### (iii) Useful lives of depreciable/amortisable assets (Property, plant and equipment, intangible assets and investment property)

Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected usage of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the usage of certain assets.

### NOTE 1. NATURE OF OPERATIONS AND SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### (iv) Inventories

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory property is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Company based on net amount that it expects to realise from the sale of inventory in the ordinary course of business.

NRV in respect of inventories under construction is assessed with reference to market prices (reference to the recent selling prices) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management.

### (v) Defined benefit obligation (DBO)

The cost of defined benefit gratuity plan and the present value of the gratuity obligation along with leave salary are determined using actuarial valuations. An actuarial valuation involves making various assumptions such as standard rates of inflation, mortality, discount rate, attrition rates and anticipation of future salary increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### (vi) Fair value measurements

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument/assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

### 1.4 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant on its standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

| Investment properties | Discounted cash flow technique - refer note below |                                    | 12.64%<br>5.00% |

Under a DCF method, forecast cash flows are discounted back to the present date, generating a net present value for the cash flow stream of the business.

A terminal value at the end of the explicit forecast period is determined and that value is also discounted back to the Valuation Date to give an overall value for the business.

- (i) A Discounted cash flow methodology typically requires the forecast period to be of such a length to enable the business to achieve a stabilised level of earnings, or to be reflective of an entire operation cycle for more cyclical industries.
- (ii) The rate at which the future cash flows are discounted ("the discount rate") should reflect not only the time value of money, but also the risk associated with the business future operations. The discount rate most generally employed is Weighted Average Cost of Capital ("WACC"), reflecting an optimal as opposed to actual financing structure.
- (iii) In calculating the terminal value, regard must be had to the business potential for further growth beyond the explicit forecast period. The Constant Growth Model, which applies an expected constant level of growth to the cash flow forecast in the last year of the forecast period and assumes such growth is achieved in perpetuity, is a common method. These results would be cross-checked, however, for reasonability to implied exit multiples.

Generally, a change in the assumption made for the estimated rental value is accompanied by:

- (a) A directionally similar change in the rent growth per annum and discount rate (and exit yield).
- **(b)** An opposite change in the long term vacancy rate.

### 36.3 General Description of significant defined and othe employee benefit plans

### (i) Gratuity plan

Gratuity is payable to all eligible employees of the Company on death or on resignation, or on retirement after completion of 5 years of service.

### (ii) Leave plan

Eligible employees can carry forward leaves in first month of financial year during tenure of service or encash the same on death, permanent disablement or resignation.

### 36.6 Sensitivity analysis

A quantitative sensitivity analysis for significant assumption is as follows:

| Discount Rate (-/+ 1.00%)      | 121.57   | 143.20   | 113.07    | 136.61   |
| Salary Growth Rate (-/+ 1.00%) | 143.39   | 121.23   | 137.03    | 112.53   |
| Attrition Rate (-/+ 50.00%)    | 132.73   | 129.00   | 125.11    | 121.60   |

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. The sensitivity analyses are based on a change in a significant assumption, keeping all other assumptions constant. The sensitivity analyses may not be representative of an actual change in the defined benefit obligation as it is unlikely that changes in assumptions would occur in isolation from one another.

The average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (11 years).

### 36.8 Risk exposure

### (i) Asset volaitilty:

The plan liabilities are calculated using the discount rate set with reference to Government securities bond yields; if plan assets underperform this yield, this will create a deficit.

### (ii) Change in Government securities bond yields:

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

**36.9** The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post employment benefits received Presidential assent in September 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

- (iii) The application filed by the Company under Section 245C of the Income tax Act in an earlier year, has been concluded in April 2023 and accordingly the Company has made additional provision of ₹ 799.99 lakh towards tax and interest thereon in the financial statements.
- (iv) The sales tax department of the government of Maharashtra has completed the Value Added Tax (VAT) assessments w.r.t. the returns filed by the Company on the sale of flats to the customers during the period beginning from June 2006 till March 2012 and determined the VAT and interest liability. For some of the years, the Company has challenged the assessment order and opted for appeal, which is pending for hearing. Vide an order of the Hon'ble Supreme Court of India, the recovery of interest amounts in such cases has been stayed. However, the Company has opted to settle and pay interest for some of the years under The Maharashtra Settlement of Arrears in Disputes Act, 2016. Part of the amount has been collected by the Company from the flat purchasers on account of such liability and the Company is reasonably confident of recovering all the outstanding amount on account of VAT from flat purchasers.

|   | 33,960.28     | 33,960.28 | =          | -       |  |

The management assessed that carrying amount of cash and cash equivalents, other bank balances, trade receivables, loans, investment in government securities, investment in preference shares of joint venture, other financial assets, secured and unsecured borrowings, trade payable and other financial liabilities approximate their fair values largely due to the short-term maturities of these instruments.

### 42.3 Transfers between Levels 1 and 2

There have been no transfers between Level 1 and Level 2 during the year.

### **42.4 Financial risk management**

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk;
- (ii) Liquidity risk; and
- (iii) Market risk

### Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The committee reports regularly to the Board of Directors on its activities.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

### (i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities.

### NOTE 42. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

### **42.4 Financial risk management**

The carrying amount of the financial assets which represents the maximum credit exposure is as follows:

### (a) Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, credit risk with regards to trade receivable is almost negligible in case of its residential sale and lease rental business. The same is due to the fact that in case of its residential sell business it does not handover possession till entire outstanding is received. Similarly in case of lease rental business, the Company keep 3 to 12 months rental as deposit from the occupants

No impairment is observed on the carrying value of trade receivables.

### (b) Cash and cash equivalents

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Investment committee comprising of Mr. Venkatesh Mysore (Chairperson, Independent Director), Mr. T. P. Ostwal (Independent Director) and Mr. Vikas Oberoi (Non-Independent Director) on an annual basis, and may be updated throughout the year subject to approval of the Company's Investment Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

### (ii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank overdrafts, bank loans, debentures and inter-corporate loans.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

### **Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

### (iii) Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of certain commodities. Thus, our exposure to market risk is a function of investing and borrowing activities and revenue generating and operating activities. The objective of market risk management is to avoid excessive exposure in our revenues and costs.

### (a) Currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when expense is denominated in a foreign currency).

The Company closely tracks and observes the movement of foreign currency with regards to INR and the forward cover rate. The Company decides to cover or keep the foreign currency exposure open based on the above.

### (b) Exposure to currency risk

The currency profile of financial assets and financial liabilities is as follows:

### (c) Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against above foreign currencies at March 31 would have affected the measurement of financial instruments denominated in those foreign currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

### (d) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

### (e) Exposure to interest rate risk

Company's interest rate risk arises from borrowings. Borrowings issued at fixed rates exposes to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

(₹ in Lakh)

| Particulars               | March 31, 2023 March 31, 2022 |
|---------------------------|-------------------------------|
| Fixed-rate instruments    |                               |

### i Fair value sensitivity analysis for fixed-rate instruments

The Company does not account for any fixed-rate financial assets or financial liabilities at fair value through profit or loss. Therefore, a change in interest rates at the reporting date would not affect profit or loss.

### ii Fair value sensitivity analysis for floating-rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings is as follows:

(₹ in Lakh)

| Effect         | Increase/<br>decrease in<br>basis points | Effect on profit<br>before tax |

### (f) Commodity price risk

The Company's activities are exposed to steel and cement price risks and therefore its overall risk management program focuses on the volatile nature of the steel and cement market, thus seeking to minimize potential adverse effects on the Company's financial performance on account of such volatility.

The risk management committee regularly reviews and monitors risk management principles, policies, and risk management activities.

### **42.5 Capital Management**

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital. The Company includes within net debt, interest and non interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations.

The Company's adjusted net debt to adjusted equity ratio is as follows:

| Particulars   | March 31, 2023 | March 31, 2022 |
|---|----------------|----------------|
| Borrowings (comprises of current and non-current borrowings)          | 4,74,190.69    | 1,71,583.12    |

- (a) the Securities to be so created, offered, issued and allotted shall be subject to the provisions of the Memorandum and Articles of Association of the Company;
- **(b)** the Securities to be so created, offered, issued and allotted shall rank pari passu with the existing Securities of the Company in all respects; and
- (c) the Equity Shares, including any Equity Shares issued upon conversion of any convertible Securities, to be so created, offered, issued and allotted in terms of this resolution shall rank pari passu with the existing Equity Shares of the Company in all respects."

"RESOLVED FURTHER THAT if any issue of Securities is made by way of a QIP in terms of Chapter VI of the SEBI ICDR Regulations, the allotment of such Securities, or any combination of Securities as may be decided by the Board shall be completed within a period of 365 days from the date of this resolution, or such other time as may be allowed under the SEBI ICDR Regulations from time to time."

**"RESOLVED FURTHER THAT** any issue of Securities made by way of a QIP in terms of Chapter VI of the SEBI ICDR Regulations shall be at such price which is not less than the price determined in accordance with the pricing formula provided under Chapter VI of the SEBI ICDR Regulations (the "QIP Floor Price"), with the authority to the Board to offer a discount of not more than such percentage as permitted under applicable law on the QIP Floor Price."

**"RESOLVED FURTHER THAT** in the event Equity Shares are proposed to be allotted to QIBs by way of a QIP in terms of Chapter VI of the SEBI ICDR Regulations, the relevant date for the purpose of pricing of the Equity Shares shall be the date of the meeting in which the Board (or relevant committee thereof) decides to open the proposed issue of such Equity Shares or any other date in accordance with applicable law."

**"RESOLVED FURTHER THAT** in the event eligible convertible securities are proposed to be allotted to QIBs by way of a QIP in terms of Chapter VI of the SEBI ICDR Regulations, the relevant date for the purpose of pricing such eligible convertible Securities shall be the date of the meeting in which the Board (or relevant committee thereof) decides to open the proposed issue of such convertible securities or any other date in accordance with applicable law."

"RESOLVED FURTHER THAT in the event that convertible securities and/or warrants which are convertible

into Equity Shares of the Company are issued along with non-convertible debentures to QIBs under Chapter VI of the ICDR Regulations, the relevant date for the purpose of pricing of such Securities, shall be the date of the meeting in which the Board (or relevant committee thereof) decides to open the issue of such convertible securities and/or warrants simultaneously with non-convertible debentures or any other date in accordance with applicable law and such Securities shall be issued at such price being not less than the price determined in accordance with the pricing formula provided under Chapter VI of the SEBI ICDR Regulations."

**"RESOLVED FURTHER THAT** the issue to the holders of the Securities, which are convertible into or exchangeable with Equity Shares at a later date shall be, inter alia, subject to the following terms and conditions:

- (a) in the event of the Company making a bonus issue by way of capitalization of its profits or reserves prior to the allotment of the Equity Shares, the number of Equity Shares to be allotted shall stand augmented in the same proportion in which the equity share capital increases as a consequence of such bonus issue and the premium, if any, shall stand reduced pro tanto;
- (b) in the event of the Company making a rights offer by issue of Equity Shares prior to the allotment of the Equity Shares, the entitlement to the Equity Shares will stand increased in the same proportion as that of the rights offer and such additional Equity Shares shall be offered to the holders of the Securities at the same price at which the same are offered to the existing shareholders;
- (c) in the event of merger, amalgamation, takeover or any other re-organization or restructuring or any such corporate action, the number of equity shares and the price as aforesaid shall be suitably adjusted; and
- (d) in the event of consolidation and/or division of outstanding Equity Shares into smaller number of equity shares (including by way of stock split) or reclassification of the Securities into other securities and/or involvement in such other event or circumstances which in the opinion of concerned stock exchange requires such adjustments, necessary adjustments will be made."

"RESOLVED FURTHER THAT for the purpose of giving effect to any offer, issue or allotment of Equity Shares and/or Securities or instruments representing the same, as described above, the Board be and is hereby authorized on behalf of the Company to seek listing of any or all of such Securities on one or more Stock Exchanges in India or outside India and the listing of Equity Shares underlying the ADRs and/or GDRs on the Stock Exchanges in India."

"RESOLVED FURTHER THAT without prejudice to the generality of the above, subject to applicable laws and subject to approval, consents, permissions, if any of any statutory, regulatory or governmental body, authority or institution, including any conditions as may be prescribed in granting such approval or permissions by such statutory,

regulatory or governmental authority or institution, the aforesaid Securities may have such features and attributes or any terms or combination of terms that provide for the tradability and free transferability thereof in accordance with the prevailing practices in capital markets including but not limited to the terms and conditions for issue of additional Securities and the Board subject to applicable laws, regulations and guidelines be and is hereby authorized in its absolute discretion in such manner as it may deem fit, to dispose of such Securities that are not subscribed."

**"RESOLVED FURTHER THAT** the Board be and is hereby authorized to appoint lead manager(s), underwriters, depositories, custodians, registrars, bankers, lawyers, advisors and all such agencies as are or may be required to be appointed for, involved in or concerned with the Issue and to remunerate them by way of commission, brokerage, fees or the like and also to reimburse them out of pocket expenses incurred by them and also to enter into and execute all such arrangements, agreements, memoranda, documents, etc., with such agencies."

"RESOLVED FURTHER THAT for the purpose of giving effect to the above, the Board be and is hereby authorized on behalf of the Company to take all actions and do all such acts, deeds, matters and things as it may, in its absolute discretion, deem necessary, desirable or expedient for the Issue and to resolve and settle all questions, difficulties or doubts that may arise in regard to such Issue, including the finalization and approval of the draft offer document(s) and final offer document(s), determining the form and manner of the Issue, finalization of the timing of the Issue, identification of the investors to whom the Securities are to be allotted, determining the issue price, face value, premium amount on issue/ conversion of the Securities, if any, rate of interest, execution of various transaction documents, signing of declarations, creation of mortgage/charge, utilization of the issue proceeds, without being required to seek any further consent or approval of the members or otherwise to the end and intent that the members shall be deemed to have given their approval thereto expressly by the authority of this resolution.

**"RESOLVED FURTHER THAT** the Board be and is hereby authorized to issue and allot such number of Equity Shares as may be required to be issued and allotted upon conversion of any Securities or as may be necessary in accordance with the terms of the offering, all such Equity Shares ranking pari passu with the existing Equity Shares of the Company in all respects."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to constitute or form a committee or delegate all or any of its powers to any Director(s) or Committee of Directors/Company Secretary/Chief Financial Officer or other persons authorized by the Board for obtaining approvals, statutory, contractual or otherwise, in relation to the above and to settle all matters arising out of and incidental thereto, and to execute all deeds, applications, documents and writings that may be required, on behalf of the Company and generally to do all acts, deeds, matters

and things that may be necessary, proper, expedient or incidental for the purpose of giving effect to this resolution and accept any alterations or modification(s) as they may deem fit and proper and give such directions as may be necessary to settle any question or difficulty that may arise in regard to issue and allotment of the Securities."

### Notes:

- 1. Ministry of Corporate Affairs (MCA) vide its General Circulars nos. 14/2020, 17/2020, 20/2020, and 10/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, and December 28, 2022 respectively, read with SEBI circular nos. SEBI/HO/CFD/CMD2/ SEBI/HO/CFD/POD-2/P/ CIR/P/2022/62 and CIR/2023/4 dated May 13, 2022 and January 5, 2023 respectively (collectively, the "said Circulars"), allowed companies to hold shareholders meeting through video conferencing or other audio visual means ("VC") dispensing requirement of physical presence of members at a common venue, and other related matters with respect to such meetings. Accordingly, the 25th Annual General Meeting ("this AGM") of the members of the Company is held through VC in compliance with the provisions of the said Circulars, and consequently no attendance slip is enclosed with this notice.
- 2. A MEMBER ENTITLED TO ATTEND AND VOTE IS ENTITLED TO APPOINT ONE OR MORE PROXIES, TO ATTEND AND VOTE INSTEAD OF HIMSELF, AND THAT A PROXY NEED NOT BE A MEMBER.

However, since this AGM is held through VC, the facility of appointment of proxies is not available for this AGM, in terms of the said Circulars. Accordingly, no proxy form is enclosed with this notice. However, representatives of members u/s 112 and 113 can be appointed to participate and vote at this AGM.

- **3.** Members, especially institutional investors, are encouraged to attend and vote at this AGM though VC. The attendance of the Members attending this AGM through VC will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- **4.** Registers maintained under sections 170 and 189 shall be made electronically available for inspection of members during this AGM, through the CDSL e-Voting system itself. Refer subsequent para for details of the CDSL e-Voting system.
- **5.** The Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013, in respect of special businesses to be transacted at the meeting, is hereto annexed.

- **6.** The physical copies of notice of 25th Annual General Meeting and the Annual Report 2022-23 shall be open for inspection at the Registered Office of the Company during business hours between 11.00 a.m. to 1.00 p.m. except on holidays, upto the date of the Annual General Meeting.
- 7. The particulars of Mr. Vikas Oberoi, the Director proposed to be reappointed, as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard 2 are annexed hereto.

### 8. Dividend Related Information:

- a. The record date for the purpose of payment of dividend shall be Wednesday, June 21, 2023. Accordingly, the dividend, as recommended by the Board, if declared and approved at the Annual General Meeting will be paid to those members whose names appear in the Register of Members at the end of day on Wednesday, June 21, 2023. In respect of shares held in dematerialized form, the dividend will be paid on the basis of beneficial ownership, as per the details to be furnished for the purpose, by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as on Wednesday, June 21, 2023.
- **b.** In the general interest of the Members, it is requested of them to update their bank mandate/NECS/Direct credit details/name/address/power of attorney and update their Core Banking Solutions enabled account number:
  - For shares held in physical form: with the Registrar and Transfer Agent of the Company.
  - For shares held in dematerialized form: with the depository participant with whom they maintain their demat account.

Kindly note that as per Regulation 12 read with Schedule I of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, for distribution of dividends or other cash benefits to the investors, electronic mode of payments like National Electronic Clearing Service (NECS), Electronic Clearing Service (ECS), Real Time Gross Settlement (RTGS) and National Electronic Funds Transfer (NEFT) shall be used. In cases where the details like MICR no., IFSC no. etc. required for effecting electronic payments are not available, physical payment instrument like dividend warrants, will be used.

Accordingly, we recommend you to avail the facility of direct electronic credit of your dividend and other cash benefits, as and when declared, through electronic mode and in all cases keep your bank account details updated in your demat account/physical folio.

C. Members may note that the Income-tax Act, 1961 ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of members. The Company is hence required

to deduct tax at source ("**TDS**") at the time of making the payment of the dividend. In order to enable the Company to determine the appropriate TDS rate as applicable, Members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.

### For resident shareholders:

TDS under Section 194 of the IT Act shall be as follows:

| Case   |       | Rate of TDS   |
|--|-------|---|
| Members having valid PAN:  |       | or as notified by the ernment of India  |
| Members not having PAN/valid PAN:  |       | or as notified by the ernment of India  |
| Members being<br>specified person* as<br>per Section 206 B of<br>the IT Act: | _     | er of the following<br>, namely:-   |
|  | (i)   | At twice at the rate<br>specified in the<br>relevant provisions of<br>the Act; or |
|  | (ii)  | At twice the rate or rates in force;  |
|  | (iii) | At the rate of 5%   |

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during FY 2023-24 does not exceed ₹ 5,000 and also in cases where members provide Form 15G/Form 15H (as applicable), provided the valid PAN is updated in Company/Link Intime India Private Limited records, and subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower/nil withholding tax. PAN is mandatory for members providing Form 15G/15H or any other document as mentioned above.

For the purpose of section 206AB, "specified person" means a resident person who has not furnished the return of income for the assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted, for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired and the aggregate of tax deducted at source and tax collected at source in his case is Rupees Fifty Thousand or more in the said previous year:

Additional information w.r.t Mutual Funds & Insurance companies:

 In terms of section 196 of the IT Act, TDS is not applicable on payment of dividend to Mutual Funds covered under section 10(23D) of the IT Act

Such Mutual Funds should provide a selfdeclaration that they are covered under Section 10 (23D) of the IT Act with a self-attested copy of PAN card and registration certificate.

- 2) The provisions of section 194 (as applicable to resident members) of the IT Act shall not apply to dividend income credited or paid to

### Explanatory Statement pursuant to Section 102 of the Companies Act, 2013

### Item No. 4:

In pursuance of Section 148 of the Companies Act, 2013 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, read with Companies (Cost Records and Audit) Rules, 2014, the Board of Directors of the Company, upon recommendation of Audit Committee, is required to appoint an individual who is a Cost Accountant in practice or a firm of Cost Accountants in practice, as cost auditor. The remuneration of the cost auditor is required to be recommended by Audit Committee, approved by the Board of Directors and ratified by the members.

On recommendation of Audit Committee at its meeting held on May 16, 2023, the Board has considered and approved appointment of M/s. Kishore Bhatia & Associates (FRN 00294) for conducting the audit of the Company's cost records for FY 2023-24 at a remuneration of ₹ 4,10,000 (Rupees Four Lakh Ten Thousand only) plus taxes as applicable and reimbursement of out of pocket expenses, if any.

Your Directors recommend the resolution set out at item no. 4 to be passed as an ordinary resolution by the members for approval and ratification by the members in terms of Section 148 of the Companies Act, 2013.

None of the Promoter, Directors, Key Managerial Personnel of the Company and their relatives are concerned or interested financially or otherwise in the resolution as set out at item no. 4.

### Item No. 5:

The special resolution contained in the Notice under Item no. 5 relates to a resolution passed by the Board on May 16, 2023 seeking approval of the members of the Company to create, issue, offer and allot Equity Shares, GDRs, ADRs, Foreign Currency Convertible Bonds, Convertible Debentures and such other securities as stated in the resolution (the "Securities"), including by way of a qualified institutions placement in accordance with Chapter VI of the SEBI ICDR Regulations and all other applicable laws, subject to the applicable regulations issued by the Securities and Exchange Board of India and any other governmental, regulatory or statutory approvals as may be required, in one or more tranches, at such price as may be deemed appropriate by the Board at its absolute discretion including the discretion to determine the categories of Investors to whom the issue, offer, and allotment shall be made considering the prevalent market conditions and other relevant factors and wherever necessary, in consultation with lead manager(s) and other agencies that may be appointed by the Board for the purpose of the Issue.

This special resolution enables the Board to issue Securities of the Company for an aggregate amount not exceeding ₹ 2000,00,00,000 (Rupees Two Thousand Crore only) or its equivalent in any foreign currency.

The Board shall, subject to applicable law, issue Securities pursuant to this special resolution and utilize the proceeds to finance (wholly or in part) one or more, or any combination, of the following: (a) acquisition of land, land development rights or development rights (directly or indirectly through any other means) by paying premium, fees, or charges as required under applicable laws to the regulatory authorities, (b) working capital requirements of the Company and its subsidiaries, joint ventures and affiliates, (c) investment in subsidiaries, joint ventures and affiliates, (d) capital expenditure, (e) repayment of debt, (f) the cost of construction and development of ongoing and new projects, (g) any cost incurred towards the objects of the Company, and (h) general corporate purposes.

The special resolution also seeks to empower the Board to issue Securities by way of QIP to QIBs in accordance with Chapter VI of the SEBI ICDR Regulations. The pricing of the Securities that may be issued to QIBs pursuant to SEBI ICDR Regulations shall be freely determined subject to such price not being less than the floor price calculated in accordance with Chapter VI of the SEBI ICDR Regulations ("QIP Floor Price"). Further, the Board may also offer a discount of not more than 5% or such percentage as permitted on the QIP Floor Price calculated in accordance with the pricing formula provided under SEBI ICDR Regulations. The "Relevant Date" for this purpose will be the date when the Board (including Committee thereof) decides to open the QIP for subscription or any other date in accordance with applicable law

As the Issue may result in the issue of Securities of the Company to investors who may or may not be members of the Company, consent of the Members is being sought pursuant to Sections 23, 42, 62(1)(c), and 179 and other applicable provisions, if any, of the Companies Act, 2013 and any other law for the time being in force and being applicable and in terms of the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The aforesaid proposal is in the interest of the Company and your Directors recommend the resolution set out at Item no. 5 to be passed as a Special resolution by the Members.

None of the Promoter, Director, Key Managerial Personnel of the Company and their relatives are deemed to be concerned or interested financially or otherwise in the resolution set out at Item no. 5, except to the extent of Equity Shares/Securities that may be subscribed to by them or by companies/firms/institutions in which they are interested as Director or member or otherwise.
